EXPLANATORY NOTE

(*This Note is not part of the Order, but is intended to indicate its general purport.*)

This Order amends the County Court Fees Order. The amendment is consequential on the Rent Act, 1957, and the new Rent Restrictions Rules, and will come into force at the same time. In future, proceedings under those Rules will be instituted by originating application and the Order prescribes a standard fee of 10s. (with one exception), thus bringing fees for all Rent Acts applications into line with the present fee for applications to determine or apportion rent or rateable value.
