Article 2

SCHEDULE

8 & 9 Eliz. 2. c. 68.	Noise Abatement Act 1960, section 2.	Restriction of operation on highways, &c., of loudspeakers.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

Under the County of London Justices (Jurisdiction) Order 1957, justices acting for petty sessional divisions of the county of London, other than metropolitan stipendiary magistrates, may not, subject to the provisions of the Order, take any classes of case except those specified in the Order. By the County of London Justices (Jurisdiction) Order 1961 there were added to these specified classes proceedings against persons failing to give information as to the identity of the driver of a vehicle where the latter is alleged to be guilty of an offence relating to parking places under the Road Traffic Act 1960. Under this Order this class is extended to proceedings in relation to all cases where the alleged offence of the driver is of a class in which the justices would have jurisdiction under the Order, and the specified classes of case are further extended to include proceedings in respect of causing a vehicle to wait in a " restricted " street or road in the London traffic area, and proceedings under section 2 of the Noise Abatement Act 1960, which relates to the operation of loudspeakers on highways.
