In exercise of the powers conferred on me by subsection (1) of section 22 of the Crofters (Scotland) Act, 1955(a), and subsection (1) of section 14 of the Crofters (Scotland) Act, 1961(b), and of all other powers enabling me in that behalf and after consultation with the Crofters Commission and with the approval of the Treasury, I hereby make the following scheme:—

Citation, Interpretation and Commencement

1. This scheme may be cited as the Crofting Counties Agricultural Grants (Scotland) Scheme, 1961, and shall come into operation on the 1st day of December, 1961.

2.—(1) In this scheme, unless the context otherwise requires, the following expressions have the meanings hereby respectively assigned to them:—

"the Act of 1955" means the Crofters (Scotland) Act, 1955;

"the Act of 1961" means the Crofters (Scotland) Act, 1961;

"crofter" includes any grazings committee or grazings constable appointed under section 24 of the Act of 1955 and in the application of this scheme to a grazings committee or a grazings constable any reference to a croft shall be construed as a reference to the common grazings for the management of which the committee or as the case may be the grazings constable is responsible;

"eligible occupier" has the meaning assigned to it by Article 3 of this scheme;

"operation" means any of the operations specified in column 1 of the Schedule to this scheme.

(2) The Interpretation Act, 1889(c), applies for the interpretation of this scheme as it applies for the interpretation of an Act of Parliament.

Eligible occupier

3. For the purposes of this scheme, the expression "eligible occupier" means any one of the following occupiers, that is to say—

(*a*) the occupier of a croft who is also the owner thereof and who in the opinion of the Secretary of State is of substantially the same economic status as a crofter;

(*b*) the occupier of a holding, other than a croft, situated in the crofting counties which is either a holding of which the area does not exceed seventy-five acres (exclusive of any common pasture or grazing held therewith), or a holding the annual rent of which, if it were a croft

(a) 3 & 4 Eliz. 2. c. 21. (b) 9 & 10 Eliz. 2. c. 58. (c) 52 & 53 Vict. c. 63.

let to a crofter under the Act of 1955 and the Act of 1961, would not, in the opinion of the Secretary of State, exceed fifty pounds, being an occupier who in the opinion of the Secretary of State is of substantially the same economic status as a crofter; or

(*c*) the subtenant of a croft or part of a croft occupying under a sublease intimated to the Crofters Commission under subsection (1) of section 11 of the Act of 1961 or granted by a crofter with the consent of the Crofters Commission and in accordance with any conditions imposed by them under subsection (3) of the said section 11.

Grants to be made

4. Subject to the provisions of this scheme, the Secretary of State may make a grant to a crofter or eligible occupier in respect of the labour and materials required for any operation carried out by him or on his behalf for the purpose of aiding and developing agricultural production, in the case of a crofter, on his croft and, in the case of an eligible occupier, on the croft or holding or part of a croft, as the case may be, in respect of which he is the eligible occupier.

Application for Grant

5. A crofter or eligible occupier who desires to obtain a grant under this scheme shall make an application therefor in such form as the Secretary of State may direct and shall furnish such information in regard to the operation which it is proposed to carry out as the Secretary of State may require.

6. Upon receiving such an application and after making such enquiries as he thinks fit, the Secretary of State shall decide whether to make a grant or not, and, where he decides to make a grant, shall, in notifying his decision to the applicant, make an offer of a grant subject to such conditions as to the nature of the operation, the manner in, and the means by, which it is to be carried out as he may deem necessary, and the operation shall be carried out to his satisfaction and within such time as may be specified by him.

Claims

7. When the operation in respect of which the grant is offered has been carried out, the applicant shall make a claim for the grant in such form as the Secretary of State may direct and shall afford to the Secretary of State or his duly authorised officer all such facilities as are reasonably necessary to enable the Secretary of State to satisfy himself that the conditions subject to which the grant has been offered have been duly complied with.

8.—(1) Subject to the provisions of the two next succeeding paragraphs the amount of any such grant as aforesaid shall—

(*a*) not exceed a sum equal to the percentage of the approved cost of the operation in respect of which it is to be made set out opposite that operation in column 2 of the Schedule to this scheme, and

(*b*) be abated by the amount of any other grant, subsidy or payment made or falling to be made in respect of that operation under any Act or any other scheme or instrument providing for payment of monies out of the Exchequer.

(2) For the purpose of this Article "approved cost" shall mean the aggregate of—

(*a*) the expenditure reasonably incurred by the applicant in providing the materials required for the purpose of the carrying out of the relevant operation, and

(*b*) such sum as the Secretary of State may deem it reasonable to allow in respect of the labour necessary for that purpose.

(3) If the Secretary of State is satisfied that any condition subject to which a grant has been offered has not been complied with in carrying out the relevant operation, he may, notwithstanding the two immediately preceding paragraphs, either withhold payment of the grant or make payment of a grant in respect of that operation of such amount as he may in all the circumstances of the case consider reasonable.

9. Where any condition subject to which a grant has been made falls to be complied with by the applicant after the date upon which the grant has been made and the Secretary of State is satisfied at any time thereafter that that condition is not being complied with, he may recover the amount of the grant or such part thereof as he may in all the circumstances consider reasonable from the applicant in like manner as if it were a debt due by the applicant to him.

10.—(1) The Secretary of State hereby appoints the Crofters Commission to be his agents for the purpose of the administration of any grant applied for or made under this scheme so far as it relates to crofts:

Provided that nothing in this paragraph shall be construed as enabling the Crofters Commission to make payment of any grant under this scheme.

(2) In carrying out their functions as agents as aforesaid of the Secretary of State under this scheme, the Crofters Commission shall have the like powers, rights and duties as are conferred by it upon the Secretary of State.

One of Her Majesty's Principal Secretaries of State.
