EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order replaces the current Curtain Cloth (Utility) Directions.

The principal changes from those Directions are that the manufacturer's maximum selling prices of a number of cloths are revised (an increase being indicated by a plus (+) sign in the Schedule and a decrease by a minus (−) sign), the supply of utility curtain cloth except against permits or priority dockets is no longer prohibited and the range of curtain cloths has been increased.
