EXPLANATORY NOTE

(This Note is not part of the Order.)

On 1st July 1984, Council Regulation (EEC) No. 918/83 (OJ No. L105 23.4.1983 p. 1) of 28 March 1983 comes into force. This Regulation establishes a Community regime for giving relief from duties in the Common Customs Tariff. These reliefs will have effect in the United Kingdom by virtue of s. 5(1) of the European Communities Act 1972 (c. 68). Included in these reliefs are the reliefs which have previously been granted in the United Kingdom under the 3 revoked Orders, namely:— the Import Duty Reliefs (No. 3) Order 1958 (which provided relief on news film imported for copying or televising and certain educational films); the Import Duty Reliefs (No. 7) Order 1958 (which provided relief on articles recorded with sound (other than cinematograph film) not produced in quantity for general sale); the Customs Duty Relief Order 1977 (which provided relief on certain air transit documents and illustrated tourist calenders). The reliefs given by Regulation (EEC) 918/83 are in some respects less extensive than those given by the Import Duty Reliefs (No. 3) and (No. 7) Orders 1958.
