(a) 1972 c. 68; section 5(3) was amended by Customs and Excise Duties (General Reliefs) Act 1979 (c. 3), Schedule 2, paragraph 3.

(b) S.I. 1981/1769, amended by S.I. 1982/1773, 1983/342, 1782, 1802, 1984/1306, 1452, 1969, 1985/12.

EXPLANATORY NOTE

(*This Note is not part of the Order.*)

This Order further amends the Customs Duties (ECSC) Order 1981 which charges customs duties in accordance with the unified ECSC tariff on ECSC products imported into the United Kingdom except from other member states of the European Coal and Steel Community and from certain other countries named in Schedule 1 to the 1981 Order. The Order adds Greenland to the list of exempted overseas countries and territories. Greenland was added to that list by the Customs Duties (ECSC) (Amendment No. 7) Order 1984 as from 1st January 1985 in the expectation that Greenland's participation in the Community would be terminated by that date, but was removed by the Customs Duties (ECSC) (Amendment No. 8) Order 1985 because that change of status did not take place. It will now take place on 1st February 1985.
