EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order amends the Customs Duties (ECSC) Provisional Anti-Dumping (No. 2) Order 1982 to correct an error in the Schedule to that Order. That Order was made to comply with a Community obligation under Commission Recommendation 2242/82/ECSC which required the United Kingdom to impose a provisional anti-dumping duty on imports of certain iron and steel products originating in Spain. The amendment limits the application of the duty imposed by that Order so that it applies (as was stated in the Explanatory Note) only to imports of the goods described in the Schedule which originated in Spain.
