EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order revokes the Customs Duties (ECSC) Provisional Anti-Dumping (No. 2) Order 1979 in relation to imports into the United Kingdom on or after 26th March 1979 of certain haematite pig iron and cast iron originating in and consigned from Brazil. Duty imposed by that Order on imports of these goods originating in Brazil but consigned from other countries continues to be charged.

The duty charged by that Order on those imports before the coming into operation of this Order was not collectable if the importer gave security of the amount of the duty to the Commissioners of Customs and Excise in accordance with the provisions of the Anti-Dumping and Countervailing Duties Order 1978 (S.I. 1978/1147), and that security will be released without collection of any duty in respect of goods originating in and consigned from Brazil.

The United Kingdom is under a Community obligation by virtue of the Recommendation referred to in the Order to cancel the duty in respect of imports into the United Kingdom on or after 26th March 1979.
