EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order removes the anti-dumping duty on imports of certain iron or steel coils for re-rolling originating in Greece imposed by the Customs Duties (ECSC) Provisional Anti-Dumping (No. 4) Order 1979, which is revoked.

The duty charged by that Order before the coming into operation of this Order was not collectable if the importer gave security of the amount of the duty to the Commissioners of Customs and Excise in accordance with the provisions of the Anti-Dumping and Countervailing Duties Order 1978 (S.I. 1978/1147), and that security will be released without collection of any duty.

The United Kingdom is under a Community obligation by virtue of the Recommendations referred to in the Order to cancel the duty.
