EXPLANATORY NOTE

(*This Note is not part of the Order.*)

This Order amends the Customs Duties (ECSC) (Quota and Other Reliefs) Order 1984 by reinstating Greenland in the list of developing countries in Schedule 2 which enjoy relief from customs duty in respect of certain iron and steel products. Greenland was originally included in that list in the expectation that Greenland's participation in the Community would be terminated by 1st January 1985 but was removed by the Customs Duties (ECSC) (Quota and Other Reliefs) (Amendment) Order 1985 because that change of status did not take place. It will now take place on 1st February 1985.
