EXPLANATORY NOTE

(*This Note is not part of the Order.*)

This Order, which comes into operation on 1st January 1979, amends the Customs Duties (Greece) (No. 3) Order 1977 by altering the reference to degree of alcohol (the actual alcoholic strength) to the symbol "% vol" in the description of made wine, cider and perry originating in Greece. This follows a similar alteration which is being made in respect of such goods in the common customs tariff of the European Economic Community.
