EXPLANATORY NOTE

(This Note is not part of the Regulations.)

The Cycle Racing on Highways Regulations 1960 authorise certain races or trials of speed between bicycles or tricycles, not being motor vehicles, (described in those Regulations as bicycle races) to be held on public highways subject to certain conditions including the condition that the number of competitors taking part must not exceed 40. These Regulations, which apply to Wales, provide for varying this condition in the case of any bicycle race (as defined in the 1960 Regulations) which is comprised in the three cycle racing events proposed to be held in 1966 which are specified in the Schedule, by increasing to 84 the maximum number of competitors who may take part in the case of the event specified under the title " Tour of Britain " and to 60 in the case of the other events so specified.
