EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

Part III of the Dangerous Drugs Act, 1951, empowers the Secretary of State to make Regulations for the purpose of preventing the improper use of the drugs to which that Part applies. Those drugs are set out in the Third Schedule to the Dangerous Drugs Regulations, 1953, where they are divided into classes for the purpose of entries in the dangerous drugs register. Under the Dangerous Drugs Act, 1951 (Application) Order, 1954 (S.I. 1954/1029), Part III of the Act is applied to the drug methyldesomorphine, its salts and substances containing it in any proportion, and Regulation 1 (2) of these Regulations makes the appropriate addition to the Third Schedule to the Regulations of 1953; Regulation 1 (1) is consequential. Under the same Order Part III will cease to apply to dextrorphan, dextromethorphan, their salts and substances containing them in any proportion, and Regulation 2 of these Regulations makes the necessary amendments excluding them from the Third Schedule to the Regulations of 1953.
