Made - - - -	*28th February* 1977
Coming into Operation—	
for the purposes described in article 2	*14th March* 1977

Whereas the Thames Water Authority sent notice to the Secretary of State for the Environment that, in exercise of powers under the Land Drainage Act 1930(a) and the Land Drainage Act 1961(b), they had straightened the Deddington Brook, being a watercourse forming a boundary line between two areas of local government, so as to affect its character as a boundary line;

And whereas the Secretary of State for the Environment, after consultation with the Local Government Boundary Commission for England under section 73(2) of the Local Government Act 1972(c), is satisfied that, having regard to the alteration, a new boundary line may conveniently be adopted:

Now therefore the Secretary of State for the Environment, in exercise of his powers under section 73(2) of the said Act and of all other powers enabling him in that behalf, hereby makes the following order—
