EXPLANATORY NOTE

(This Note does not form part of the Order, but is intended to indicate its general purport.)

Regulation 60J of the Defence (General) Regulations, 1939 enables provision to be made for storing chattels salvaged from premises damaged by war operations, for their disposal if their owner is not known, and for directions to be given to the owner, if he is known, to remove the chattels from store. If the directions are not complied with, the owner is liable to a fine.

This Order removes the power to give directions but enables provision to be made that if chattels are not removed after not less than six months' notice they may be disposed of.
