## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order designates King's College London ("the College") as a medical authority which is authorised to hold examinations in dentistry and grant licences certifying the fitness of the holders to practise dentistry. This would enable persons who have passed such examinations held by the College or who hold such licences granted by the College, to be registered on the dentists register provided that the person's fitness to practise is not impaired and the appropriate fees have been paid.
