STATUTORY INSTRUMENTS

1978 No. 774 (S. 63)

RIVER, SCOTLAND

SALMON AND FRESHWATER FISHERIES

Diseases of Fish (Infected Area) (Scotland) No. 2 Order 1978

Made - - - -	*25th May* 1978
Coming into Operation	*5th June* 1978

The Secretary of State, in exercise of the powers conferred on him by section 2(1) as read with section 11 of the Diseases of Fish Act 1937(a), and all other powers enabling him in that behalf and having been satisfied as respects the area hereinafter mentioned that certain waters therein are infected waters, hereby makes the following order:—

Citation and commencement

1. This order may be cited as the Diseases of Fish (Infected Area) (Scotland) No. 2 Order 1978 and shall come into operation on 5th June 1978.

Interpretation

2. The Interpretation Act 1889(b) shall apply for the interpretation of this order as it applies for the interpretation of an Act of Parliament.

Infected area

3. The area comprising Tynet Valley Trout Farm, Buckie, including its water intake from, and its water outflow to, the Burn of Tynet, lying within the area bounded on the East by the West bank of the said Burn of Tynet, with a Northern limit at Ordnance Survey Grid Reference NJ384619 and a Southern limit at Ordnance Survey Grid Reference NJ385617, and bounded on the West by a straight line drawn between the two said Ordnance Survey Grid References is hereby declared to be an infected area for the purposes of the Diseases of Fish Act 1937.

Control of movement of fish etc

4. No person shall without the previous consent in writing of the Secretary of State move out of the area declared by Article 3 above to be an infected area any live fish or eggs of fish or food stuff for fish.

Given under the seal of the Secretary of State for Scotland.

H. G. Robertson,
Assistant Secretary.

Department of Agriculture and Fisheries for Scotland,
St Andrew's House,
Edinburgh.
25th May 1978.

(a) 1937 c. 33.

(b) 1889 c. 63.

EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order declares the Tynet Valley Trout Farm to be an infected area for the purposes of the Diseases of Fish Act 1937 and prohibits the movement out of the area of any live fish, eggs of fish or food stuff for fish.
