EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Town and Country Planning (Marine Fish Farming) Order 2007. It updates the marine area for which local authorities are designated as planning authority in respect of marine fish farm development so that these areas extend to the extent of the Scottish marine area.

A Business and Regulatory Impact Assessment has been prepared for these Regulations and placed in the Scottish Parliament Information Centre. Copies can be obtained from the Scottish Government Planning, Architecture and Regeneration Division, Victoria Quay, Edinburgh EH6 6QQ.
