EXPLANATORY NOTE

(This note is not part of the regulations, but is intended to indicate their general purport.)

These regulations prescribe the form of, and the particulars to be contained in, the annual returns as to their affairs in the previous financial year which building societies are required to make to the Registrar of Building Societies.

The regulations also provide that the auditors, in their report on an annual return, need not deal with certain specified matters.

(2) the upper limit for the milk fat content of dried skimmed milk has been reduced from 8 per cent. to 1·5 per cent. and the description "dried low-fat skimmed milk" is permitted as an alternative description (regulation 4(1) and Schedule 1);

(3) a maximum moisture content of 5 per cent. is prescribed for all descriptions of dried milk (regulation 4(1) and Schedule 1);

(4) containers of dried skimmed milk are required, and containers of any other dried milk are permitted, to carry a declaration as to the milk fat content (regulation 5 and Schedule 2);

(5) the regulations do not apply to any sale of dried milk to a caterer or manufacturer; to any sale of dried milk for immediate consumption on or at the premises of the seller or in or at any stall or mobile refreshment vehicle; or to dried milk intended for export or consumption by a visiting force (regulation 3).
