ANNO QUINQUAGESIMO NONO

GEORGII III. REGIS.

Cap. ciii.

An Act to alter and amend an Act passed in the Fifty-fifth Year of His present Majesty, for improving the Harbour of *Dundee* in the County of *Forfar*. [14th *June* 1819.]

WHEREAS by an Act passed in the Fifty-fifth Year of the Reign of His present Majesty, intituled *An Act for improving the Harbour of* Dundee *in the County of* Forfar, certain Commissioners were appointed for conducting the said Improvement according to the Plan therein mentioned, and Authority was given for levying certain Rates and borrowing certain Sums of Money on the Credit of the Rates, and various other Powers were thereby vested in the Commissioners for accomplishing the Purposes of the Act: And whereas considerable Progress has been made in executing the Works by the said Act directed, and in carrying into effect the Powers thereby given, and certain large Sums have been advanced and borrowed on the Credit of the said Rates, which Sums are still owing; but it has been found on Experience that other and additional Improvements are necessary to be done in order to render the Harbour convenient and complete, particularly by finishing a Graving Dock, and in place of the West Arm of the Receiving Harbour of the Wet Dock, delineated on the Plan referred to in the said Act, erecting a Pier or Jetty sufficient not only to serve as a West Arm to the Receiving Harbour of the Wet Dock, but also to protect the West or Tide Harbour, and inclose it on the West and in other respects; and it is also found expedient to apportion the

55 G. 3. c. 97.

the Rates and Duties allowed to be levied by the said Act more equally than is thereby authorized by increasing some and diminishing others of them; and that the Regulations for collecting the Rates should be altered and amended, and further Sums allowed to be borrowed for those Purposes on the Credit of the Rates, and other Powers granted to the said Commissioners: And whereas the said Improvements cannot be made and the other Purposes aforesaid accomplished without the Aid and Authority of Parliament: May it therefore please Your Majesty that it may be enacted; and be it enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That in addition to the Powers given and granted by the said recited Act the said Commissioners and their Successors in Office shall be and they are hereby authorized and empowered, by themselves, their Agents, Workmen, or Servants, to finish and complete the said Graving Dock, and to erect a Pier or Jetty sufficient not only to serve as a West Arm to the Receiving Harbour of the Wet Dock (in place of the West Arm of the said Receiving Harbour delineated on the Plan referred to in the former Act), but also to protect the West or Tide Harbour and inclose it on the West.

Commissioners to erect additional Works.

Plan of additional Improvements.

II. And whereas a Map or Plan of the said additional Improvements has been made and deposited with the Town Clerk of the Burgh of *Dundee*, be it therefore enacted, That the said Map or Plan shall remain in the Custody of the said Town Clerk; and all Persons shall at any seasonable Time have Liberty to inspect and peruse the same in the Office of the said Town Clerk, and to make Copies thereof or take Extracts therefrom at their Will and Pleasure, paying the said Clerk the Sum of One Shilling Sterling for every such Inspection.

New Duties to be levied.

III. And be it enacted, That from and after the last *Wednesday* of *May* in the Year One thousand eight hundred and twenty the several Rates, Dues, and Duties leviable on Goods and Vessels under the former Act shall cease, and that in place thereof it shall be lawful to and for the said Commissioners and their Successors in Office, and to and for such Persons as they shall from Time to Time authorize and appoint, from and after the said Day until the Expiration of the Term granted by the said former Act, to demand, levy, collect, receive, and take of and from the Owners and Proprietors of all Goods, Merchandize, Wares, or Commodities whatever which shall be imported into or exported from the said Harbour of *Dundee* or Precincts thereof, in any Ship, Vessel, Bark, Boat, or Lighter, and from the Owner of every Ship, Vessel, Bark, Boat, or Lighter coming into or going out of the said Harbour or Precincts thereof, or from the Agents or Managers of such Owners or Proprietors, the Rates and Duties specified in the Schedule or Table annexed to this Act, comprehending or including therein the Rates and Duties payable and leviable by virtue of the ancient Rights and Charters of the Burgh, and without Prejudice to their being exigible at the Determination of the Right to levy the Duties granted by this Act; and in case the Rates and Duties mentioned in the said Schedule or Table shall be found not sufficient to produce a free annual Revenue of Five thousand Pounds Sterling, after appropriating a Sum for a Sinking Fund as provided for in the said former Act, and paying the

Collector and Clerks employed by the Commissioners under the Authority of the said Act, it shall be lawful to the said Commissioners and they are hereby required to increase the Rates and Duties allowed by this Act as specified in the Schedule annexed thereto to an Extent sufficient to produce such free annual Revenue of Five thousand Pounds Sterling, and the said Commissioners shall have Power and they are hereby required to levy and collect the said increased Rates and Duties along with the Rates and Duties hereby granted; and in case it shall be found that the Rates and Duties hereby authorized to be levied produce more than is sufficient to accomplish the Purposes of the said former Act and this present Act, and to pay the Money borrowed for those Purposes, and Interest thereof, with other Charges attending the Execution of the said Act and of this Act, it shall be in the Power of the said Commissioners and they are hereby required to lessen the said Rates and Duties, and vary the same from Time to Time as they shall find expedient, without Prejudice to the said Rates and Duties being again raised to the Amount authorized by this Act if Necessity requires, the Diminution or Increase of the Rates being always made to operate on all Articles proportionally.

Commissioners may let the Graving Dock.

IV. And be it further enacted, That as the said additional Improvements authorized to be executed by this Act will cost the Sum of Six thousand four hundred and seventy-four Pounds Ten Shillings Sterling in addition to the estimated Expence mentioned in the said former Act, it shall and may be lawful to and for the said Commissioners and they are hereby required to let in such Manner as shall appear to them most expedient the made-up Ground adjacent to the Wet Dock, and likewise to let in manner mentioned in the said former Act the Graving Dock; and it shall and may be lawful to and for the said Commissioners and they are hereby required to apply the Rents received for the said made-up Ground and Graving Dock for and towards the Expence of improving the said Harbour of *Dundee*, and the other Charges of carrying into effect the former Act and this Act, as thereby and hereby directed, and that in addition to and exclusive of the said free annual Revenue of Five thousand Pounds Sterling directed to be levied by the foresaid Act and by this Act.

Power to borrow more Money.

V. And be it further enacted, That it shall and may be lawful for the said Commissioners and their Successors in Office, and they are hereby authorized, to borrow an additional Sum or Sums of Money, for the Purposes of the former and of this Act, on the Credit of the Rates and Duties, and of the Rents of the said made-up Ground and Graving Dock, not exceeding in the whole Ten thousand Pounds Sterling, the said additional Sum, and the Sums authorized to be borrowed by the former Act, not exceeding in the whole at any one Time the Sum of Fifty thousand Pounds Sterling, which shall be found necessary for the Purposes of the said Act and of this Act, from any Person or Persons willing to lend the same, and that in Terms of and conformable to the Conditions mentioned in the said former Act, without Prejudice to the prior Securities granted under the Authority of the said Act.

Loan of Exchequer Bills.

VI. And whereas the Commissioners acting in the Execution of an Act made and passed in the Fifty-seventh Year of the Reign of His present Majesty,

57 G. 3. c. 34. Majesty, intituled *An Act to authorize the Issue of Exchequer Bills, and the Advance of Money out of the Consolidated Fund, to a limited Amount, for the carrying on of Public Works and Fisheries in the United Kingdom, and Employment of the Poor in* Great Britain *in manner therein mentioned;* and 57 G. 3. c. 124. another Act passed in the same Session, intituled *An Act to amend an Act made in the present Session of Parliament, for authorizing the Issue of Exchequer Bills, and the Advance of Money for carrying on Public Works and Fisheries, and Employment of the Poor,* have advanced and lent to the Commissioners appointed by the first herein-before recited Act of the Fifty-55 G. 3. c. 97. fifth Year of the Reign of His present Majesty, intituled *An Act for improving the Harbour of* Dundee *in the County of* Forfar, the Sum of Fifteen thousand Pounds in Exchequer Bills; and in order to secure the Repayment thereof by annual Instalments of Seven hundred and fifty Pounds each, besides Interest at the Rate of Five Pounds *per Centum per Annum* on the said Principal Sum of Fifteen thousand Pounds, or such Part of the said Sum as should remain due for the Time being, the said Commissioners appointed by the said first-recited Act executed a Bond and Assignation, bearing Date on or about the Fifteenth Day of *October* One thousand eight hundred and seventeen, to *William Holden* Esquire, Secretary to the said Commissioners, appointed by the said Acts of the Fifty-seventh Year of His said Majesty, whereby the said Commissioners appointed by the said Act of the Fifty-fifth Year of the Reign of His said Majesty did bind and oblige themselves as such Commissioners for Repayment of the said Loan in the Manner therein mentioned, and did assign unto the said *William Holden* all and every the several Rates and Duties leviable at the Port and Harbour of *Dundee* in virtue of the said Act of the Fifty-fifth Year of His said Majesty, or in any other Manner of Way in the Manner therein mentioned; be it therefore further enacted and declared, That nothing in this Act contained shall extend or be construed to extend to invalidate, defeat, make void, or in any Manner incumber or affect the said Bond and Assignation given by the said Commissioners appointed by the said Act of the Fifty-fifth Year of His said Majesty to the Secretary of the said Commissioners for the Issue of Exchequer Bills as aforesaid; and that all and every the additional Rates, Duties, and Receipts granted or intended to be granted by this Act, and all other the Premises vested in the Commissioners hereby appointed or authorized under any of the Powers and Authorities herein contained, shall form a Part of and are hereby enacted and declared to be comprehended in and to form a Part of the said Bond and Assignation so given by the said Commissioners appointed by the said Act of the Fifty-fifth Year of His said Majesty to the Secretary of the said Commissioners for the Issue of Exchequer Bills for Repayment of the said Loan of Fifteen thousand Pounds so advanced as aforesaid; any thing in this Act contained to the contrary thereof in anywise notwithstanding.

Clerk and Treasurer not to be the same Person.

VII. Provided always, and be it enacted, That it shall not be lawful for the said Commissioners for the said Harbour to continue or appoint the Person who has been or may be appointed to act as their Clerk in the Execution of the said Act and this Act, or the Partner of any such Clerk, the Treasurer for the Purposes of the said Act and this Act, or to continue or appoint the Person who has been or may be appointed Treasurer, or the Partner of any such Treasurer, the Clerk to the said Commissioners for executing the said Act and this Act; and if any Person shall

shall act in both the Capacities of Clerk and Treasurer for the Purposes of the said Act and this Act; or if any Person, being the Partner of any such Clerk, shall act as Treasurer for the said Purposes, or being the Partner of such Treasurer shall act as Clerk in the Execution of this Act, every Person shall for every such Offence forfeit and pay the Sum of Fifty Pounds to any Person or Persons who shall sue for the same, to be recovered in any of His Majesty's Courts in *Scotland* by summary Complaint.

Powers of former Act extended to this Act.

VIII. And be it further enacted, That all and every the Clauses, Powers, Authorities, Provisions, Articles, Punishments, Penalties, Conditions, Limitations, Matters, and Things whatsoever in the said Act contained shall (except in so far as the same are varied, altered, or repealed by this present Act,) be and continue in full Force and Effect, and be equally applicable to and have the same Operation for the several Purposes therein and herein mentioned, for and during the Continuance of the said Act, as if the same were again repeated and re-enacted in the Body of this present Act.

Contracts may be made.

IX. And be it further enacted, That the said Commissioners shall have Power and Authority, and they are hereby authorized, to contract with or employ Tradesmen of all Descriptions necessary in the Execution of the said Works, whether the said Tradesmen reside within the Burgh of *Dundee* or not, and whether they be free of the respective Incorporations within the said Burgh or not; and it shall not be in the Power of any of the said Incorporations to let, hinder, or interrupt the said Tradesmen so employed in the Execution of the said Work, as not being Freemen within Burgh; any Law or Practice to the contrary notwithstanding.

Commissioners may let their dredging Machine to Commissioners of Dundee Ferry.

X. And whereas it is proposed to construct a Harbour or Landing Place contiguous to the Harbour of *Dundee* for the Accommodation of the Ferry Boats conveying Passengers, and Goods, Wares, and Merchandize, passing between the Coast of *Fife* and the Coast of *Forfar*, across the River *Tay*, and it would be advantageous that the Ferry Harbour and Entrances thereto should be cleansed and deepened by means of a dredging Machine; be it enacted, That the said Commissioners acting under the Authority of the said herein-before recited Act and this Act shall have full Power and Authority, and they are hereby authorized, to treat and agree with the Trustees for managing and repairing the said Ferry, in case such Trustees shall be appointed, for the Use of the dredging Machine and Apparatus belonging to the Commissioners of the Harbour of *Dundee*, for the Purposes aforesaid, and that either by letting the same to the said Trustees for the Ferry, or by contracting with them to cleanse and deepen the said Harbour or Landing Place appropriated for the Use of the Ferry and Entrances thereto, from Time to Time; and the whole Sums or Profits received by the said Commissioners for the Use of the said dredging Machine and Apparatus shall be applied towards the building, erecting, and maintaining the Works of the Harbour of *Dundee*, and to no other Use or Purpose whatever.

Commissioners may sell Stones to Trus-

tees of Dundee Ferry.

they could with advantage supply the Trustees for the Ferry with Stones sufficient for erecting the said intended Harbour or Landing Place, as it produces more Stones than are necessary for the said Harbour; be it therefore enacted, That the said Commissioners appointed by the said Act of the Fifty-fifth Year of the Reign of His present Majesty shall have full Power and Authority and they are hereby authorized to treat and agree with the said Trustees for the Improvement of the said Ferry, and other Persons, for the Use of the said Quarry, or for supplying Stones from the said Quarry, by Contract or otherwise; and the whole Sums or Profits to be received by the said Commissioners shall be applied towards the building, erecting, and maintaining the Works of the said Harbour of *Dundee*, and to no other Use or Purpose whatever.

Sale of Land to Trustees of Dundee Ferry.

XII. And whereas by the before-recited Act of the Fifty-fifth Year of the Reign of His present Majesty the said Commissioners were authorized to agree with the Magistrates and Town Council of the said Burgh of *Dundee* for the Use and Occupancy of the Building Yards at the West End of the Harbour, then and still occupied by *James Smart* and *James Kewans*, Ship Carpenters, to be converted into a Quay for Accommodation to the Lime and Coal Trade, and also the Rents of the said Building Yards, from the Date of the passing of the said Act, for behoof of the Harbour Fund: And whereas the said Commissioners did enter into an Agreement with the said Magistrates and Council for the Occupancy and Rents of the said Building Yard: And whereas a Part of the said Building Yard occupied by the said *James Kewans* will be necessary to enable the Trustees of the said Ferry of *Dundee* to complete the intended Improvement of the said Ferry; be it therefore enacted, That the said Commissioners shall have full Power and Authority and they are hereby required to renounce to the Magistrates and Town Council of the said Burgh of *Dundee* such Part of the said Building Yards as shall be necessary for the said Ferry Harbour Improvement, that the said Magistrates and Town Council may be entitled to dispose of the same to the Trustees of the said Ferry of *Dundee*; and the said Commissioners shall have full Power and Authority to treat and agree with the said Magistrates and Town Council regarding the Reduction of Rent to be allowed to the said Commissioners for and on account of such Part of the said Building Yards to be so renounced.

Valuation of the same by a Jury.

XIII. And be it enacted, That in case the said Commissioners cannot agree with the said Magistrates and Town Council as to the Value of that Part of the said Building Yards to be so renounced, it shall and may be lawful to have the same valued by a Jury, after the Form and Manner prescribed in the before-recited Act relative to the Purchase and Sale of other Property necessary for the Improvement of the said Harbour.

Commissioners may renounce other Property to Harbour Trustees.

XIV. And be it further enacted, That the said Commissioners shall have full Power and Authority to renounce to the said Magistrates and Town Council such other Parts and Portions of the said Building Yards as may not be found necessary for the Improvement of the said Harbour, in order that such Parts and Portions of the said Building Yards may be converted into other useful Purposes for the Benefit of the common Good of the Burgh; and it shall and may be lawful to and in the Power of the said Commissioners to treat and agree with the Magistrates and

Proceedings not removeable.

XVII. And be it further enacted, That no Proceedings to be had and taken in pursuance of the before-recited Act of the Fifty-fifth Year of the Reign of His present Majesty or this Act before the Justices of the Peace for the County of *Forfar*, or that may be carried by Appeal to the Quarter Sessions of the said County, shall be removed by Advocation or by any other Process whatsoever, or stayed by Suspension or Reduction; any Law or Statute to the contrary notwithstanding.

Act not to take effect till estimated Expence be subscribed.

XVIII. And be it further enacted, That it shall not be lawful for the said Commissioners to proceed in the Execution of the Powers hereby granted until the Sum of Six thousand four hundred and seventy-four Pounds Ten Shillings, being the estimated Expence of the Works hereby authorized to be made, shall have been subscribed.

Compelling Payment of Subscriptions

XX. And be it enacted, That any Body or Bodies Politic, Corporate, or Collegiate, or Person or Persons, who have subscribed or shall hereafter subscribe any Money for and towards the Works hereby authorized to be made, and maintaining the same, shall and they are hereby required to pay to the Commissioners from Time to Time, when called for, the Sum or Sums of Money subscribed as aforesaid, or such Parts or Portions thereof as shall from Time to Time be necessary for completing the Works within the aforesaid Space of Twelve Years; and in case such Body or Bodies Politic, Corporate, or Collegiate, or Person or Persons, shall neglect or refuse to pay the same at the Time and in the Manner required for that Purpose, it shall be lawful for the said Commissioners to sue for and recover the same in any Court of Law or Equity.
