CHAPTER xc.

An Act to authorise the East and West India Dock Company to extend their Dock system by constructing and maintaining a new Dock and other Works in connexion therewith in the parishes of Grays Thurrock, Little Thurrock, and Chadwell, all in the county of Essex. A.D. 1882.

[3rd July 1882.]

WHEREAS by an Act, in this Act called "the principal Act," passed in the second year of the reign of His late Majesty King William the Fourth, intituled "An Act to consolidate and "amend the several Acts for making the West India Docks," the West India Dock Company were incorporated and various powers and authorities, duties and obligations in lieu of those then existing were respectively given to, and conferred upon, the said West India Dock Company. 1 & 2 Will. 4. c. lii.

And whereas by an Act passed in the first year of the reign of Her present Majesty, intituled, "An Act to amend the several "Acts relating to the West India Dock Company, and the East "India Dock Company, and to consolidate the said Companies," the said West India Dock Company acquired the undertaking known as the East India Docks, and the name of the said West India Dock Company was changed to that of the East and West India Dock Company, in this Act called "the Company." 1 & 2 Vict. c. ix.

And whereas the Company have expended very large sums of money in constructing their docks at Limehouse, Bromley, and Poplar, and in improvements and additions from time to time as required, and have hitherto attracted to their said docks a large proportion of the shipping frequenting the port of London.

And whereas the number and size of vessels, and especially of steam vessels, has of late largely increased and is still increasing, and the construction of new docks lower down the said river, admitting of the arrival and departure of the largest class of steam vessels

at all times of the tide, with increased facilities for berthing the same, would attract additional shipping to the said port, and be of great public advantage, and it is expedient that the Company should be authorised to construct such docks.

And whereas the Company are authorised to raise the sum of two million three hundred and eighty-five thousand six hundred and sixty-eight pounds by the creation and issue of capital stock, and they have in fact so raised two million three hundred and eighty-five thousand five hundred pounds, and they are authorised to borrow the sum of one million five hundred and forty-five thousand pounds, and they have, in fact, borrowed on mortgage the sum of three hundred and thirty-seven thousand five hundred and sixteen pounds one shilling and sevenpence, and raised by debenture stock the sum of six hundred and twenty-eight thousand pounds, making together the sum of nine hundred and sixty-five thousand five hundred and sixteen pounds one shilling and sevenpence.

And whereas it is expedient that the Company be authorised to apply any moneys to arise from the exercise of their unexhausted powers towards the execution of the said new docks, and for the purpose of completing the same and for other purposes of the Company to raise a further sum of one million pounds.

And whereas plans and sections showing the lines and levels of the proposed new docks and works and also books of reference containing the names of the owners and lessees or reputed owners and lessees, and of the occupiers of the lands required or which may be taken for the purposes or under the powers of this Act have been duly deposited with the clerk of the peace for the county of Essex, and are in this Act respectively referred to as the deposited plans, sections and books of reference.

And whereas the objects aforesaid cannot be carried into effect without the authority of Parliament

May it therefore please Your Majesty that it may be enacted, and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal and Commons in the present Parliament assembled and by the authority of the same as follows (that is to say):

Short title.

1. This Act may be cited as the East and West India Dock Company's Extension Act, 1882.

Incorporation of general Acts. 8 & 9 Vict. c. 18. 23 & 24 Vict. c. 106.

2. The Lands Clauses Consolidation Acts, 1845, 1860, and 1869, the provisions of the Companies Clauses Act, 1845, with respect to the transfer and transmission of shares, the borrowing of money by the Company, on mortgage or bond, Part 3 of the Companies

Clauses Act, 1863, relating to debenture stock, as amended by the Companies Clauses Act, 1869, and sections 14 to 19, both numbers inclusive, and sections 24, 28, 54, 82, 99, and 100 of the Harbours, Docks, and Piers Clauses Act, 1847, are (except where expressly varied by this Act) incorporated with and form part of this Act. In construing the said incorporated provisions of the Companies Clauses Act, 1845, "shares" shall be held to mean the capital stock by this Act authorised to be created and issued.

Interpretation.

3. In this Act the several words and expressions to which meanings are assigned by the Acts wholly or partially incorporated herewith have the same respective meanings, unless there be something in the subject or context repugnant to such construction.

The expression "directors" means and includes the board of directors of the Company for the time being.

The expression "superior courts," or "court of competent jurisdiction," or any other like expression in this Act, or any Act wholly or partially incorporated herewith, shall be read and have effect as if the debt or demand with respect to which the expression is used were a simple contract debt, and not a debt or demand created by statute.

Company in respect of new dock may enjoy existing powers.

4. All the provisions of the principal Act and the other Acts passed in relation to the Company now in force are (save as is by this Act otherwise expressly provided) incorporated with and form part of this Act, and shall mutatis mutandis for the purposes of this Act be read and construed and have effect as if they had been made in relation to the new docks and works by this Act authorised, and in relation to the Company, the directors, the Company's officers and servants respectively, and the proprietors individually, and all other persons in any way affected, or at any time to be affected by the said provisions in connexion with or with reference to the said new docks and works, and except as is by this Act otherwise expressly provided, the Company, the directors, and the Company's officers and servants respectively, and the proprietors individually, and all persons using or being upon or within the new docks and works, or any part of the same, or in any way affected by any provision in the principal Act or the said other Acts contained, shall and may, in respect of the new docks and works respectively have, execute, enjoy, put in force and be subject to the like rights, powers, authorities, privileges, provisions, regulations, duties, and obligations, as are now in force under and by virtue of the principal Act and the other Acts passed in relation to the Company in respect of the matters thereby provided for. And in every case

A.D. 1882.

where any penalty or sum of money shall at any time become due to or recoverable at the suit of the Company, or any person on their behalf, such penalty or sum of money may and shall be sued for and recovered by the Company, or such other person as aforesaid, and applied in manner provided by the principal Act and the said other Acts in respect of the matters therein dealt with.

Power to construct docks and works.

5. Subject to the provisions of this Act the Company may make and maintain (except as is herein-after provided, with respect to the maintenance of the deviation of the main drain herein-after described) in the lines and according to the levels shown on the deposited plans and sections the new docks and works in this section after described, and may enter upon take and use such of the lands delineated on the deposited plans and described in the books of reference, as may be required for the purposes of the said new docks and works. The said new docks and works herein-before referred to will be situate in the parishes of Grays Thurrock, Little Thurrock and Chadwell, in the county of Essex, and are—

(1) A dock, consisting of a main dock five hundred and five yards or thereabouts in length, and two hundred yards or thereabouts in width, with three branch docks each five hundred and thirty-three yards or thereabouts in length, and eighty-three yards or thereabouts in width, and a coaling dock two hundred and thirty-three yards or thereabouts in length, and from forty to eighty yards or thereabouts in width, and a lock and tidal basin, with an entrance from the River Thames, to be situated on lands forming part of the Grays Thurrock, Little Thurrock and Chadwell Marshes, in the parishes of Grays Thurrock, Little Thurrock and Chadwell, or some of them, in the county of Essex, and on the banks of the River Thames, such lands being bounded on the south by the River Thames (Gravesend Reach), on the east by the occupation road leading from Marsh Farm to the river bank, on the north-east by the London, Tilbury and Southend Railway, and on the west in part by a road known as the Bell House Manor-way, and for a distance of two hundred and thirty-three yards or thereabouts by a boundary ditch, which forms in part the boundary line between the parishes of Grays Thurrock and Little Thurrock, and partly by an imaginary line from the south end of the said boundary ditch drawn in a southerly direction for a distance of three hundred and fourteen yards or thereabouts, and in a westerly direction for a distance of two hundred and seventeen yards or thereabouts, and partly by the River Thames (Northfleet Hope).

(2) A river wall or embankment in the parishes of Little Thurrock and Chadwell, in the county of Essex, on the bed and shore of the River Thames, with an opening into the aforesaid tidal basin, commencing at a point one hundred and seventeen yards or thereabouts south-west of the south-west angle of the main building of Tilbury Station of the London, Tilbury and Southend Railway Company, in the parish of Chadwell, and extending thence and terminating in the parish of Little Thurrock at a point one thousand three hundred and fifty yards or thereabouts, measured in a westerly direction along the said river bank from its said commencement.

(3) Two piers or jetties in the parish of Chadwell, in the county of Essex, and on the bed and shore of the River Thames (Gravesend Reach), one at each side of the entrance to the said tidal basin, the easternmost of such piers being one hundred and seven yards or thereabouts in length, and intersecting the said embankment at a point three hundred and forty yards or thereabouts from its commencement, and the westernmost of such piers being one hundred and twenty yards or thereabouts in length, and intersecting the said embankment at a point four hundred and ninety-seven yards or thereabouts from its commencement.

(4) A deviation of the main drain of the Rainham Commissioners of Sewers, in the parish of Little Thurrock, which deviation will commence at a point thirty yards or thereabouts below high-water mark at Thurrock Wharf, partly in the parish of Grays Thurrock and partly in the parish of Little Thurrock, and will terminate in the parish of Chadwell, at a point thirty yards or thereabouts below high-water mark on the River Thames, at or near the point herein-before described as the commencement of the river wall or embankment, which said deviation drain will be wholly situate in the parishes of Grays Thurrock, Little Thurrock and Chadwell in the county of Essex.

Power to make subsidiary works.

6. The Company may make, provide and maintain in connexion with the said new docks and works or any of them, and subject to the provisions of this Act, all necessary or convenient locks, gates, opening or other bridges, graving docks, slip docks, lift docks, timber ponds or floats, shipping places, wharves, quays, piers, jetties, landing-stages, slips, rails, tramways, sidings, stations, platforms, ways, approaches, warehouses, sheds, cattle lairs and slaughter-houses, buildings, cranes, hydraulic lifts, drops, gridirons,

moorings, buoys, dolphins, culverts, sluices, drains, and other works, conveniences, and appliances of all kinds.

Limits of lateral deviation.

7. Subject to the provisions of this Act the Company may, in constructing the said new docks and works, deviate laterally from the lines thereof respectively delineated on the deposited plans, to any extent within the limits of deviation delineated thereon.

Limits of vertical deviation.

8. In constructing the said new docks and works the Company may deviate vertically from the levels of the works shown on the deposited sections, to any extent not exceeding in any place ten feet upwards or fifteen feet downwards, and no more.

Correction of errors and omissions on deposited plans.

9. If there be any omission, misstatement, or wrong description of any lands, or of the owners, lessees, or occupiers of any lands shown on the deposited plans, or described in the deposited books of reference, the Company, after giving ten days notice to the owners, lessees, and occupiers of the lands in question, may apply to two justices acting for the county of Essex, for the correction thereof, and if it appear to the justices that the omission, misstatement, or wrong description, arose from mistake, they shall certify the same accordingly; and they shall, in the certificate, state the particulars of the omission, and in what respect any such matter is misstated or wrongly described.

Certificate to be deposited.

10. The certificate of the justices shall be deposited with the clerk of the peace for the county of Essex, and a duplicate thereof shall be deposited with the parish clerk of the parish of Grays Thurrock, Little Thurrock, or Chadwell, according to which of the said parishes the lands lie in; and the certificate and duplicate respectively shall be kept by the clerk of the peace and parish clerk respectively, with the other documents to which the same relate, and thereupon the deposited plans and books of reference shall be deemed to be corrected in accordance with the certificate; and the Company may acquire the lands in accordance with the certificate.

Power to divert water into dock.

11. The Company may supply the said new docks and works whilst making, and at all times afterwards, with water from the River Thames, and from all brooks, rivulets, springs, waters, and watercourses, that may be found in digging and making the new docks and works respectively; and may make, maintain, and repair such and so many sluices, tunnels, feeders, aqueducts, and channels upon or through the lands adjoining or near to the new docks and works, or any of them, or the River Thames, or any such brooks, rivulets, springs, waters, or watercourses as aforesaid, for conveying

water to or upon the new docks and works as the Company shall think fit.

As to the soil and material dredged by Company.

12. The Company may use and appropriate in the construction and maintenance of the said new docks and works the soil and material dredged by them from time to time.

Period for compulsory purchase of lands.

13. The powers of the Company for the compulsory purchase of lands required for the said new docks and works shall not be exercised after the expiration of three years from the passing of this Act.

Company not to interfere with the bed of the river.

14. Nothing in this Act contained shall authorise or empower the Company to embank, or encroach upon, or interfere with any part of the soil or bed of the River Thames, or the shore thereof, except according to the plan to be approved by the Conservators.

Company not to commence any work on shore of Thames until notice given to Conservators.

15. The Company shall not make or commence any work on the shore or bed of the River Thames without the consent of the Conservators of the River Thames, until the expiration of one calender month after notice to the Conservators of the River Thames.

Company not to take gravel, &c., from river without consent of Conservators.

16. The Company shall not (except as far as shall be necessary in the construction of the said new docks and the works connected therewith) take any gravel, soil, or other material from the bed of the river without the previous consent of the Conservators of the River Thames, signified in writing under the hand of their secretary.

Saving rights of the Conservators of the River Thames.

17. Except as herein expressly provided, nothing contained in this Act shall extend or be construed to extend to prejudice, or derogate from the estates, rights, interests, privileges, liberties, or franchises of the Conservators of the River Thames, or to prohibit, defeat, alter, or diminish any powers, authority, or jurisdiction which at the time of passing this Act, the said Conservators did, or might lawfully claim, use, or exercise.

Lights to be exhibited upon the dock and other works, and upon temporary works during its construction.

18. The Company shall hang out and exhibit at or near to the dock, river wall, embankment and piers or jetties by this Act authorised every night, from sunset to sunrise, lights, to be kept burning by and at the expense of the Company, and proper and sufficient for the navigation and safe guidance of vessels; and the lights shall from time to time be altered by the Company in such manner, and be of such kind and number, and be so placed and used, as the Conservators of the River Thames, by writing under the hand of their secretary, shall approve and direct; and in case the Company fail so to exhibit and keep burning the lights, they shall for every such offence forfeit ten pounds; and, further, the Company shall exhibit, under a like penalty, lights, to be similarly approved by the Con-

A.D. 1882.

such costs to be recoverable by the Commissioners in any court of competent jurisdiction.

(5) Except as is herein expressly provided, nothing in this Act shall extend, or be deemed or construed to extend, to prejudice, diminish, alter, abridge, or take away any of the jurisdictions, rights, powers or authorities vested in the Commissioners; but all the jurisdictions, rights, powers and authorities vested in them shall be as good, valid and effectual, to all intents and purposes, as if this Act had not been passed.

Power to grant easements.

22. Persons empowered by the Lands Clauses Consolidation Act, 1845, to sell and convey or release lands may, if they think fit, subject to the provisions of that Act and of the Lands Clauses Consolidation Acts Amendment Act, 1860, and of this Act, grant to the Company any easement, right, or privilege required for the purposes of this Act in, over, or affecting any such lands, and the provisions of the said Acts with respect to lands and rentcharges, so far as the same are applicable in this behalf, shall extend and apply to such grants and to such easements, rights, and privileges as aforesaid respectively.

Company not bound to sell or dispose of lands not included in lease or reversion.

23. Anything in the Lands Clauses Consolidation Act 1845 to the contrary notwithstanding, the Company shall not be bound to sell or dispose of any lands which may be included in any lease by them or the reversion thereof.

Period for completion of works.

24. If the said new docks and works are not completed within ten years from the passing of this Act, then, on the expiration of that period, the powers by this Act granted to the Company for making and completing the same, or otherwise in relation thereto, shall cease to be exercised, except as to so much thereof as shall be then completed.

Power to take tonnage rates.

25. The Company may from time to time demand and take in respect of every vessel for entering their new dock, lock, or tidal basin, or for lying therein or departing therefrom respectively, exclusively of the charge for loading or unloading, such reasonable rate, rent, or sum for every ton, according to the registered tonnage of the vessel, as the directors shall from time to time appoint, not exceeding the dock tonnage rates, rents, or sums specified in Part I. of the Schedule to this Act, and in respect of every steam or other vessel which shall not enter the new dock, lock, or tidal basin, but which shall either land or receive passengers or goods at or upon any pier or jetty constructed under the provisions of this Act, such rate, rent, or sum as the directors shall think fit, not exceeding

half the dock tonnage rates, rents, or sums specified in Part I. of the Schedule to this Act.

Tonnage rates in respect of lighters, barges, &c.

26. The tonnage rate which the Company may from time to time demand and take in respect of any lighter, barge, or other like craft entering their new dock, lock, or tidal basin, and for lying therein, shall not exceed the rate, rent, or sum which from time to time is charged by them in respect of vessels trading coastwise between the port of London and any port or place in the United Kingdom: Provided always that any lighter, barge, or other like craft entering the new dock, lock, or tidal basin, to discharge or receive ballast or goods to or from on board of any vessel lying therein, shall be exempt from the payment of any rate, rent, or sum so long as such lighter, barge, or other like craft shall be bonâ fide engaged in discharging or receiving such ballast or goods as aforesaid: Provided also that all such ballast or goods so discharged or received shall be exempt from any rate or charge whatever.

Wharfage, shipping, &c. tolls.

27. The Company may take and receive for every animal, and for every article of goods, wares, or merchandise which shall be brought into, or landed, or deposited within, or delivered or shipped from any part of the said new docks and works, such reasonable rates, rents, or sums as the directors shall from time to time appoint, for or in respect of wharfage, unshipping, landing, relanding, piling, housing, weighing, coopering, sampling, unpiling, unhousing, watching, shipping, loading and delivering of every such animal or article, and of other work to be performed in respect of such goods, and all such rates, rents, or sums shall be and are hereby vested in the Company, to and for their own proper use and behoof for the purposes of this Act; and the directors shall from time to time make a table of rates, rents, and sums charged by the Company for and in respect of such wharfage, unshipping, landing, relanding, piling, housing, weighing, coopering, sampling, unpiling, unhousing, watching, shipping, loading, and delivering of every such animal or article, and such table shall be printed and open to inspection in the several offices of the Company, and copies thereof shall, on demand, be delivered free of expense to any person having occasion for and requiring the same: Provided always, that the Company shall not take, receive or recover any higher rates, rents, or sums, in respect of animals, goods, articles, matters or things brought to the said dock for import, than those specified and referred to in Part II. of the Schedule to this Act, nor any higher rates, rents, or sums, in respect of animals, goods, articles, matters, or things sent to the

A.D. 1882.

dock for export than those specified and referred to in Part III. of the Schedule to this Act.

Rates for graving docks.

28. The Company may, from time to time, demand and take in respect of all vessels going into or using any of their graving docks, such reasonable rates as the directors shall from time to time appoint.

Company may demand rates as soon as docks are fit for use.

29. The Company may, in respect of the use of any dock, quay, or work, or any part thereof, demand and take rates, rents and charges so soon as the dock, quay, or work, or any part thereof, in respect of the user of which the rate, rent, or charge is payable, can be properly used.

Jurisdiction of dock-master.

30. The limit of the jurisdiction in the River Thames of any dock-master appointed by the directors to act in respect of the said new docks and works shall be two hundred and fifty yards at radii of circles taken from the southernmost points of each of the two piers or jetties at the side of the entrance to the said new dock.

Officers of Board of Trade to have free access to premises and pier without payment of toll.

31. All officers of the Board of Trade being in the execution of their duty, shall have free ingress and egress into and out of the docks and premises belonging to the Company, and also freely pass with their vessels and boats through the water communications of the docks and premises at all times, without payment of any toll or sum for so doing.

Dock-master may not act in contravention of laws and regulations of Customs.

32. Nothing in this Act, or in any Act relating to the Company contained, shall authorise the dock-master for the time being of the Company to do, or cause to be done, any act in any way repugnant to or inconsistent with any law relating to the Customs or any regulation of the Commissioners of Her Majesty's Customs.

Company may apply existing funds to purposes of Act.

33. The Company may apply in or towards the construction of the said new docks and works any moneys that they have power to raise by virtue of any Acts now in force relating to the Company and any moneys arising from the sale by the Company, under the powers of any Act enabling them in that behalf, of any lands or property of the Company.

Power to raise further money.

34. The Company may from time to time raise, for the purposes of this Act, on the security of the dock undertaking, any moneys not exceeding one million pounds, either by the creation and issue of capital stock of the Company, or by borrowing on mortgage, or by debenture stock, or partly by one mode and partly by the other: Provided always that the aggregate amount to be so borrowed on mortgage or raised by debenture stock shall not exceed five hundred thousand pounds.

Company not to issue stock until one fifth paid.

35. The Company shall not issue any capital stock created under the authority of this Act, nor shall any such capital stock vest in the person or corporation accepting the same, unless and until a sum not being less than one fifth of the amount of such capital stock is paid in respect thereof.

Existing mortgages to have priority.

36. All mortgages granted by the Company in pursuance of the powers of any Act before the passing of this Act, and subsisting at the passing hereof, shall during the continuance of such mortgages, and subject to the provisions of the Acts under which such mortgages were respectively granted, have priority over any mortgages granted by virtue of this Act, but nothing in this section contained shall affect any priority of the interest of any debenture stock at any time created and issued by the Company.

Mortgages and debenture stock to have priority over other debts.

37. All moneys borrowed on mortgage or raised by debenture stock by the Company under this Act, and the interest due thereon, shall have priority against the Company, and the undertaking of the Company, over all other claims, on account of debts incurred, or engagements entered into by the Company after the passing of this Act.

Power to create and issue debenture stock.

38. The Company may create and issue debenture stock subject to the provisions of Part III. of the Companies Clauses Act, 1863, as amended by the Companies Clauses Act, 1869, but notwithstanding anything therein contained the interest of all debenture stock at any time after the passing of this Act, created and issued by the Company, shall rank pari passu with the interest on all mortgages at any time after the passing of this Act, granted by the Company, and shall have priority over all principal moneys secured by such mortgages.

For appointment of a receiver.

39. The mortgagees of the Company may enforce payment of arrears of interest, or principal, or principal and interest, due on their mortgages by the appointment of a receiver. In order to authorise the appointment of a receiver in respect of arrears of principal, the amount owing to the mortgagees, by whom application for a receiver is made, shall not be less than ten thousand pounds in the whole.

Application of moneys.

40. The moneys by this Act authorised to be raised shall be applied to the purposes to which capital is by this Act made applicable.

Power to pay interest out of capital.

41. The Company may in each half year up to and including that ending on the thirty-first day of December eighteen hundred and eighty-five pay out of capital, to the persons entitled thereto,

A.D. 1882.

interest on any moneys to be raised under the powers of this Act at any rate not exceeding four pounds per centum per annum.

Saving rights of the Crown.

42. Save as is in this Act otherwise expressly provided nothing contained in this Act shall authorise the Company to take, use, or in any manner interfere with any portion of the shore or bed of the sea, or of any river, channel, creek, bay or estuary, or any right in respect thereof belonging to the Queen's most Excellent Majesty in right of Her Crown, and under the management of the Board of Trade, without the previous consent in writing of the Board of Trade on behalf of Her Majesty (which consent the Board of Trade may give), neither shall anything in this Act contained extend to take away, prejudice, diminish or alter any of the estates, rights, privileges, powers or authorities vested in or enjoyed or exerciseable by the Queen's Majesty, her heirs or successors.

Deposits for future Bills not to be paid out of capital.

43. The Company shall not out of any money by this Act authorised to be raised pay, or deposit any sum which by any standing order of either House of Parliament, now or hereafter in force, may be required to be deposited in respect of any application to Parliament for the purpose of obtaining an Act authorising the Company to execute any other work or undertaking.

Costs of Act.

44. All the costs charges and expenses of and incident to the preparing, applying for, obtaining and passing of this Act, or otherwise in relation thereto, shall be paid by the Company.
