Powers and Provisoes of former Act to continue where not varied by this.

XXX. And be it enacted, That nothing herein contained shall prevent the foresaid Commissioners from erecting the County Buildings, by the said Act of the Fifty-third Year of the Reign of His present Majesty, authorized to be erected in the Situation formerly destined for that Purpose, but the same shall not, as directed in the said last recited Act, be conveyed to the Sheriff Depute of the County of *Edinburgh* alone; but when the same are finished the said Commissioners are hereby authorized and required to direct the Rights and Conveyances of such Buildings with the Scite thereof, and the Avenues and Areas thereto pertaining, to be made to the Convenor of the Commissioners of Supply for the said County, and to the Sheriff Depute thereof both for the Time being, and their Successors in these respective Offices for the Use and Behoof of those interested therein under the said last recited Act, which Conveyances so made shall be sufficient without Renewal for vesting the Subjects thereby conveyed in the said Convenor and Sheriff Depute for the Time being, and such Convenor and Sheriff Depute may sue and be sued for any Thing relative to the Subjects so conveyed; and no Action or Suit in which they shall be concerned as Pursuers or Defenders shall abate by the Death or Removal of any such Convenor or Sheriff Depute, but the Convenor and Sheriff Depute for the Time being shall be deemed to be the Pursuers or Defenders in every such Action or Suit; and the whole Powers and Provisoes of the said last-mentioned Act shall remain in full Force except in so far as the same are hereby altered, repealed, or varied.

Expences of this Act, how to be paid.

XXXI. And be it enacted, That the Expence of applying for, obtaining, and passing this Act, shall be paid out of the first and readiest of the Monies which shall come to the Hands of the said Commissioners.

Residue of Funds under this Act, how to be applied.

XXXII. And be it further enacted, That if there shall be any Residue of the Funds vested in the Commissioners under this Act, after answering the Purposes foresaid for which they are applicable, arising from the Sale or feuing of the Areas along the Eastern Communication from *Princes Street*, and from the Sums of Money to be paid by the said Trustees upon the Turnpike Roads, without touching on, or after having replaced in Manner hereinafter mentioned the Sums to be provided by the Lord Provost, Magistrates, and Council of the said City, or on the Sum to be raised by Assessment on the said City, the said Residue shall be applied to such Public Purposes connected with the said City or its Vicinity as the same Commissioners shall determine: And if there shall be no such Residue in the Case immediately before provided for, but that there shall be such Residue of the Funds foresaid, after Payment of the Sums to be provided by the Lord Provost, Magistrates, and Council of the said City, and the said Assessment, or Parts of the said last-mentioned Sums respectively, in that Case the Residue shall be applied by the said Commissioners first to the Repayment to the said Lord Provost, Magistrates, and Council of the said City, of the said Sum of Five thousand Pounds advanced or paid by them, or of such Part of it as may have been advanced and paid by them, and after such Repayment of the said Residue, shall, to the Amount of the said Sum of Ten thousand Pounds levied by Assessment, or of such Part of it as may have been so levied, be applied to such Public Purposes connected with the said City or its Vicinity within the Royalty, as the said Commissioners shall determine, and after such Application the said Residue shall be applied

plied to the Repayment, to the said Lord Provost, Magistrates, and Council of the said City, of the said Sum of Twelve thousand Pounds, advanced and paid by them, or of such Part of it as may have been advanced and paid by them.

Separate Accounts to be kept for the Accesses,

and an additional Clerk to be appointed if necessary.

XXXIII. And be it further enacted, That Books and Accounts of the Receipt and Expenditure relative to opening the Communication from *Princes Street* to the *Calton* and *Calton Hill*, and to the Eastern Road to *Leith*, and making the said Bridge, Avenues, Passages, Street, and Road, and buying the Houses, Buildings, and Grounds, and selling or feuing the Areas as hereinbefore mentioned, shall be kept separate and distinct from the Receipt and Expenditure connected with building the Gaol and the Purposes of the said recited Act of the Fifty-third Year of the Reign of His present Majesty, and for that Purpose the said Commissioners shall have Power, if necessary, to nominate and appoint an additional Clerk and Treasurer to hold the said Office during their Will and Pleasure, with such reasonable Allowance for his Trouble as the said Commissioners shall think fit; and such additional Clerk and Treasurer shall find Security for the due Execution of his Office.

Commissioners may sue or be sued in the Names of their Clerks or Clerk.

XXXIV. And be it enacted, That the said Commissioners may sue and be sued for any thing done or ordered by them in virtue of this Act, or of the said recited Act of the Fifty-third Year of His present Majesty, in the Names of their Clerk and Treasurer, and additional Clerk and Treasurer, for the Time being, or in the Name of one of them, and no Action or Suit wherein the said Commissioners shall be concerned as Pursuers or Defenders in the Names or Name of such Clerks and Treasurers, or Clerk and Treasurer, shall abate by their or his Death or Removal, but that the Clerks and Treasurers, or Clerk and Treasurer for the Time being shall be deemed to be the Pursuers or Defenders, or Pursuer or Defender in every such Action or Suit.

Public Act.

XXXV. And be it enacted, That this Act shall be deemed and taken to be a Public Act, and shall be judicially taken Notice of as such, by all Judges, Justices, and others, without being specially pleaded.
