Power to assess Proprietors and Tenants.

XII. And be it further enacted, That for providing a Fund for accomplishing the several Purposes authorized as aforesaid it shall and may be lawful for the said Commissioners, and they are hereby authorized and required, from and after the passing of this Act, to assess the Heritors, Proprietors, and Life-renters of all Lands, Dwelling Houses, Shops, Warehouses, and other Buildings and Heritages of every Description, and Pertinents thereof, locally situated and comprehended within the Boundaries and Limits described in an Act passed in the Third Year of the Reign of His present Majesty, intituled *An Act for watching, cleansing, and lighting the Streets of the City of* Edinburgh *and adjoining Districts, and for regulating the Police thereof, and for other Purposes relative thereto*; in an Annual Sum of One *per Centum* of the Yearly Rent or Worth thereof in respect of Property, and to assess the Tenants or Occupiers of the said Lands, Dwelling Houses, Shops, Warehouses, and other Buildings and Heritages of every Description, and Pertinents thereof, locally situated and comprehended as aforesaid, in an Annual Sum of

One Half *per Centum* of the Yearly Rent or Worth thereof in respect of Occupancy, and that for the Period of Twelve Years and no longer: Provided always, that it shall be in the Power of the said Commissioners, if they shall see cause, to discontinue the said Assessments, or to reduce the Annual Rate thereof, before the Expiration of the said Twelve Years, for One or more Years; and to resume the same, if that shall be found necessary; but provided always, that there shall not be more than Twelve full Annual Assessments levied in the whole.

Proprietors, &c. of buildings in District to be benefited may be further assessed.

XIII. And whereas it is just and reasonable that the Proprietors, Owners, or Life-renters of Lands, Dwelling Houses, Shops, Warehouses, and other Buildings and Heritages which will be more immediately benefited by the Execution of the Improvements hereby authorized to be made, should contribute towards the Expence of such Improvements in a larger Proportion than others; be it therefore enacted, That it shall be lawful for and in the Power of the said Commissioners, and they are hereby authorized and required, to assess the Proprietors, Owners, or Life-renters of the Lands, Dwelling Houses, Shops, Warehouses, and other Buildings and Heritages of every Description, and Pertinents thereof, situated within the First, Second, Third, Sixth, Twenty-first, Twenty-second, Twenty-sixth, Twenty-seventh, Twenty-eighth, and Twenty-ninth Wards of Police, and that Part of the Twenty-fourth Ward of Police which is locally situated to the West of the Line of *Nicholson Street* and *Clerk Street*, and that Part of the Thirtieth Ward which is locally situated to the South of *Maitland Street*, as the said Wards are described in the said before-recited Act of the Third Year of the Reign of His present Majesty, or such Parts thereof as shall appear to the said Commissioners to be more immediately connected with the said Improvements and benefited thereby, in an additional Sum annually, not exceeding One *per Centum* on the Yearly Rent or Worth thereof, and that for the aforesaid Period of Twelve Years in manner aforesaid; and in case the said Commissioners shall carry forward the said Line of the said Communication to the Country on the West, by a Road leading to *Main Point* of *Portsburgh*, and shall at the same Time, for the Purposes of the Branch of the said Road being a Terrace leading towards *Princes Street*, purchase or acquire certain Houses and Areas lying along the Road at the Back of the Castle, sometime belonging to *Miller*, it shall be lawful for the said Commissioners and they are hereby authorized to assess the Proprietors, Owners, Life-renters, or Superiors of all Lands and Areas lying between the West End of the Bridge across the said Road at the Back of the Castle and the *Lothian Road*, and fronting the said Terrace, in a Sum annually not exceeding One Shilling *per* lineal Foot of their respective Lands and Areas fronting the said Terrace, and that for the Space of Twelve Years from and after the (last Date of the said Commissioners purchasing the said Houses and Areas sometime belonging to the said *Miller* as aforesaid,) to be applied by the said Commissioners towards the Expence of purchasing the same.

XIV. And whereas the Value of certain Lands and Areas suitable for being built on will be greatly increased by the Execution of the aforesaid

aforesaid Improvements; and it is just and reasonable that the Proprietors, Owners, Life-renters, or Superiors thereof, should contribute a Part of such increased Value towards the Expence thereof; be it therefore enacted, That it shall be lawful for and in the Power of the said Commissioners, and they are hereby authorized and required, to assess the Proprietors, Owners, Life-renters, or Superiors of all Lands and Areas situate within the said First, Second, Third, Sixth, Twenty-first, Twenty-second, Twenty-sixth, Twenty-seventh, Twenty-eighth, and Twenty-ninth Wards of Police, and the Parts before described of the Twenty-fourth and Thirtieth Wards, or such Parts thereof as shall appear to the said Commissioners to have been materially increased in Value by the said Improvements, or by the Prospect of their being soon executed, and which shall be disponed in Feu Farm, or under Burden of an annual Payment, or shall be let on Building Leases, at any Time within Twelve Years after the passing of this Act, in a Sum annually not exceeding Ten *per Centum* of the annual Feu Duty, Rent, or other annual Payment, and that for the Space of Twelve Years from and after the Date or Dates at which such Feu Duties, Rents, or other Annual Payments shall first become payable: Provided always, that where Lands or Areas shall be sold for the Purpose of being built on, or where, besides a Feu Duty, Rent, or other annual Payment, a Sum of Money or other valuable Consideration shall be paid to or stipulated for by the Proprietors, Owners, Life-renters, or Superiors of the same, it shall be in the Power of the said Commissioners, and they are hereby authorized and required, to assess the Proprietors, Owners, Life-renters, or Superiors of such Lands or Areas, in a Sum annually not exceeding One Half *per Centum* of the Price paid, or stipulated to be paid, in the case of a Sale, or of the Sum of Money, or other valuable Consideration, paid or stipulated for, in the Case of a Feu or Lease, in addition to the Feu Duty, Rent, or other Annual Payment aforesaid; and provided also, that where any Proprietor or Life-renter shall himself erect Buildings on Lands and Areas situated as aforesaid, belonging to him, it shall be lawful for the said Commissioners, and they are hereby required, to assess such Proprietors or Life-renters, for such Lands and Areas, in a Sum annually not exceeding Ten *per Centum per Annum* of such Sum as would have been held and considered as a fair annual Feu Duty, Rent, or other annual Payment for such Lands and Areas, had they been disposed of in that Way, and that for the Space of Twelve Years from and after such Date or Dates as, according to the usual Practice, would have been the Commencement of the Payment of such Feu Duties, Rents, or Annual Payments.

Proprietors, &c. of Lands, &c. in Districts to be benefited may be further assessed.

XV. Provided always, and be it further enacted, That it shall be lawful to the said Commissioners, and they are hereby authorized and empowered, to compound with all or any of the Proprietors, Owners, Life-renters, or Superiors of Lands and Areas within the aforesaid Bounds, for the aforesaid additional and special Assessments hereby authorized to be imposed on them, on paying to the said Commissioners such Sum of Money, or on making over to them, absolutely or in Feu Farm, such Quantity of Ground as may be agreed on.

Commissioners may compound with Proprietors.

XVI. Pro-

Commissioners may grant Exemptions and modify special Assessments in the improved Districts.

XVI. Provided also, and be it further enacted, That the said Commissioners, assembled at a Meeting, whereof Special Notice, stating the Object of Meeting, shall have been given to each Commissioner, and consisting of not less than Twenty, shall be entitled to exempt from all or any of the said additional and special Assessments such Dwelling Houses, Shops, Warehouses, and other Buildings, and such Lands and Areas, as shall appear to them to be remotely benefited by the said Improvements; and likewise generally to modify the said additional and special Assessments, or any of them, in such Way and Manner, and to such Extent, as shall appear to them to be proper.

If Sums insufficient, Assessment to be continued on Districts deriving Benefit.

XVII. And be it further enacted, That in the Event of the Sums hereby authorized to be assessed and levied, and of the Returns from the Lands, Areas, Houses, and other Heritages hereby authorized to be purchased, proving insufficient for accomplishing the Purposes of this Act, of which a Resolution of the said Commissioners shall be sufficient Evidence, it shall be lawful for the said Commissioners, assembled at a Meeting, whereof Special Notice, stating the Object of meeting, shall have been given to each Commissioner, and consisting of not less than Twenty, and they are hereby authorized and empowered, to continue to assess upon, and levy annually from, the Proprietors, Owners, and Life-renters of all Lands, Dwelling Houses, Shops, Warehouses, and other Buildings and Heritages of every Description, situate within the said First, Second, Third, Sixth, Twenty-first, Twenty-second, Twenty-sixth, Twenty-seventh, Twenty-eighth, and Twenty-ninth Wards of Police, or the Parts before described of the Twenty-fourth and Thirtieth Wards, or such Parts thereof as shall appear to the said Commissioners to have been materially increased in Value by the said Improvements, and to have derived particular Benefit and Advantage therefrom, the aforesaid Sum of One *per Centum* in respect of Property, for an additional Period, not exceeding Six Years from and after the Expiration of the Twelve Annual Assessments hereby authorized to be levied from the whole Proprietors and Tenants or Occupiers, within the Bounds over which this Act extends.

Commissioners not to continue general Assessment unless there be a Deficiency of Means.

XVIII. And whereas the aforesaid first-mentioned Assessment of One Pound *per Centum* upon Heritors, Proprietors, and Life-renters, and One Half *per Centum* upon Tenants or Occupiers, extends over the Whole of the Boundaries and Limits aforesaid, while Parts thereof as aforesaid are more benefited than others; and it is therefore just and equitable that the aforesaid first-mentioned general Assessment should be placed on a different Footing from the aforesaid last-mentioned additional and special Assessments; be it therefore enacted, That at the End of Six Years from the Commencement of the said first-mentioned general Assessment, the said Commissioners shall and they are hereby required to frame and prepare a stated Account of Profit and Loss on the Execution of the Purposes of this Act, in whatever State of Advancement the same may then be, with relative Estimates and Valuations, and it shall not be lawful for the said Commissioners at that Period to continue such general Assessment beyond the then current Year, unless it

shall appear to them from such stated Account, that there is a Deficiency of Means for completing the Purposes of this Act; and at the End of every Second Year thereafter a similar stated Account shall be made out, and it shall not be lawful for the said Commissioners to continue such general Assessment beyond the Year in which such stated Account is made, unless it shall appear to them from such stated Account that there is still a Deficiency of Means as aforesaid: Provided always, that nothing herein contained shall be held as preventing the said Commissioners from continuing the aforesaid general Assessment for the Period of Twelve Years in whole as before mentioned, if it shall appear to them from the aforesaid stated Accounts that the same is necessary for carrying into effect the Purposes of this Act, and of which Necessity a Resolution of the said Commissioners, at a Meeting called for the Purpose, shall be conclusive Evidence to all Intents and Purposes whatsoever.

Rules for imposing the Assessment.

XIX. And in order to ascertain the yearly Rent or Worth of the Lands, Dwelling Houses Shops, Warehouses, and other Buildings and Heritages hereby authorized to be assessed as aforesaid, be it enacted, That it shall be lawful for the Commissioners hereby appointed either to obtain annually from the Surveyors acting under the Authority of the said before recited Act of the Third Year of the Reign of His present Majesty, or in case of its Expiration, of any other Act which may at the Time be in Existence for similar Purposes, imposing a general Assessment over the Boundaries and Limits aforesaid, certified Copies of the Rent Rolls or Valuations according to which the Assessments made under the Authority of the said before-recited Act as aforesaid may be levied, which certified Copies the said Surveyors are hereby authorized and required to furnish on receiving Payment for the same at the Rate of Sixpence for every Seventy-two Words; and where the said Rent Rolls or Valuations shall not comprehend the whole Subjects hereby authorized to be assessed, it shall be lawful for the said Commissioners, and they are hereby authorized and required, to appoint One or more Valuators or Surveyors to make up annually a Rent Roll or Valuation of such Lands, Areas, Houses, Shops, Warehouses, and other Buildings and Heritages as are not comprehended in the said Rent Rolls or Valuations of which Copies are appointed to be furnished as aforesaid, according to the true Worth and Value thereof; and which respective Rent Rolls or Valuations shall be good Evidence of the yearly Rent or Worth of the Lands, Areas, Houses, Shops, Warehouses, and other Buildings and Heritages, to which they respectively relate: Provided always, that unoccupied Lands, Areas, Houses, Shops, Warehouses, and other Buildings and Heritages, shall not be liable to be assessed for the Purposes of this Act.

Persons overcharged may appeal to Commissioners.

XX. And be it further enacted, That if any Person, whether Proprietor or Tenant, shall think himself, herself, or themselves respectively overcharged or over-rated in the Rent Rolls or Valuations to be made by the Valuators or Surveyors to be appointed by the said Commissioners in virtue of this Act, it shall be lawful for him, her,

or them respectively to appeal to the said Commissioners, by delivering to the Collector or Collectors appointed as after mentioned, at his Office, within Ten Days after Intimation of the Charge shall have been delivered to him, her, or them, or left at his, her, or their Place of Abode, or with his, her, or their Tenants, by the Valuators or Surveyors aforesaid, or by some other Person acting on his, her, or their Behalf, (which they are hereby required to do within Fourteen Days after the said Rent Rolls shall be respectively made up, by a printed Notice left at the Dwelling House or other Premises of every Person so to be assessed for the Purposes of this Act, specifying the Amount upon which such Assessment is to be made,) a Note in Writing of such Intention to appeal, containing a Statement of the Wrong or Grievance of which such Person complains; and the said Commissioners shall appoint a Time for taking the said Appeal into Consideration; and after Consideration had thereof the Award of the said Commissioners thereon shall be final and conclusive with regard to the aforesaid first-mentioned general Assessment of One *per Centum per Annum* in respect of Property, and One Half *per Centum per Annum* in respect of Occupancy; but, with regard to the whole additional and special Assessments aforesaid, it shall be lawful for the Party or Parties affected by such Award, within Ten Days thereafter, to appeal against the same to the Sheriff Depute of the County of *Edinburgh*, or his Substitute; and upon such Appeal being so lodged and duly intimated to the said Commissioners, or their Clerk or Clerks for the Time being, it shall be lawful to the said Sheriff Depute or his Substitute, and he is hereby required, to call a Jury in manner herein-after directed regarding Proprietors refusing to sell, and to give such Relief in the Premises, or to refuse all such Relief, according as shall be found and declared by the Verdict or Verdicts of such Jury: Provided always, that if such Jury or Juries shall, by their Verdict, determine in favour of the Appellant or Appellants, then and in that Case the Costs and Charges of every Sort and Kind attending the obtaining of such Verdict shall be paid and defrayed by the said Commissioners; and if the said Jury shall determine against the Appellant or Appellants, then and in that Case the said Costs and Charges shall be paid and defrayed in equal Proportions by the Commissioners and by the Party or Parties appealing as aforesaid.

Certain Premises to be exempted.

XXI. Provided always, and be it further enacted, That the Commissioners shall not assess, for the Purposes of this Act, the Parliament House, the General Register House, the City Chambers, the County Hall, the Police Office, the Palace of *Holyrood House*, the Castle of *Edinburgh*, the University and High School of *Edinburgh*, nor any Institution for the Purposes of Education constituted by Royal Charter, nor *Queensberry House* when used as a Barrack for Soldiers; nor any House or Tenement used or inhabited as an Hospital, Charity School, or other charitable Institution, or the Areas belonging thereto and occupied therewith, so long as *bonâ fide* occupied for the Purposes of such Institutions; nor any Place of Public Worship, (except in so far as may respect private Proprietors, Owners, or Life-renters deriving Rent therefrom,) nor the Occupier or Occupiers of any Houses, Tenements, Buildings, or other Heritages, situate

situate within the Bounds aforesaid, under the annual Rent or Worth of Five Pounds Sterling: Declaring always, that nothing hereincontained shall be held to exempt the Owners, Proprietors, or Liferenters of Houses, Tenements, Buildings, and other Heritages under Five Pounds of yearly Rent or Worth, from the Payment of the aforesaid Assessments authorized to be levied from Owners, Proprietors, or Life-renters, in respect of Property.
