PART II

ELIGIBILITY FOR ASSISTED PLACES

General

3.—(1) A child shall only be eligible for selection for an assisted place if all the conditions mentioned in this Part are, so far as relevant, satisfied in his case.

(2) Nothing in this Regulation shall prevent a child from being selected for an assisted place in advance of its being ascertained that such a condition is satisfied if the selection is subject to the condition being satisfied.

(3) In this Part "first assisted year" means the school year in which a child would take up an assisted place if selected therefor.

Conditions as to residence

4.—(1) It shall be a condition that the child shall either—

(*a*) have been ordinarily resident in the British Islands throughout the period of three years preceding 1st January in the calendar year in which his first assisted year begins ("the relevant date"), or

(*b*) in the case of such a child as is mentioned in paragraph (2), have been so ordinarily resident in the European Community.

(2) The child referred to in paragraph (1)(*b*) is one who is resident in the British Islands on the relevant date and is the child of a national of a member state of the European Community who—

(*a*) where he is employed on the relevant date, is then in employment in the British Islands, or

(*b*) where he is not employed on that date (by reason of retirement or otherwise), was last employed in such employment.

Conditions as to age

5.—(1) It shall be a condition that the child—

(*a*) shall have attained the age of 11 years or be of such age that he will have attained that age before 31st July in his first assisted year, and

(*b*) subject to paragraphs (2) and (3), shall be of such age that he will, on 1st September in the calendar year in which his first assisted year begins, be of an age specified in the participation agreement as a normal age of entry to the school or will attain that age before 31st July in his first assisted year.

(2) Paragraph (1)(*b*) shall not apply in the case of a child—

(*a*) who, by reason of a move of home, has only recently, or before his first assisted year will, come to live in the area served by the school, or

(*b*) who is already attending the school when being considered for an assisted place, or

(*c*) whose case is such, if any, as is specified for the purposes hereof in the participation agreement,

where, if selected for an assisted place, he would be provided with education with assisted pupils of a similar age who were admitted to the school in an earlier school year.

(3) Paragraph (1)(*b*) shall not apply in the case of such a child as is mentioned in Regulation 6(1).

Conditions as to selection at sixth form level

6.—(1) This Regulation shall apply in the case of a child who, if selected for an assisted place, would be provided with sixth form education, that is to say, education appropriate to pupils taking advanced level examinations for the General Certificate of Education or other examinations comparable thereto.

(2) Where this Regulation applies, it shall be a condition that—

(*a*) the participation agreement expressly provides for the selection of pupils who will be provided with sixth form education and the child satisfies such conditions, if any, as are specified for the purposes hereof in that agreement, or

(*b*) the child is already attending the school when being considered for an assisted place and, if selected, would be provided with sixth form education with assisted pupils of a similar age who were admitted in an earlier school year.

(3) Where this Regulation applies and during the 12 months preceding the beginning of his first assisted year the child has been a registered pupil at a school maintained by a local education authority, it shall be a further condition that that authority agree to his selection or that it is in accordance with arrangements for the time being agreed between that authority and the school:

Provided that this paragraph shall not apply in the case of a child who, by reason of a move of home, has only recently, or will before his first assisted year, come to live in the area served by the school.

Conditions as to income

7.—(1) It shall be a condition that the parents of the child, when applying to the school for an assisted place, shall have furnished the school with—

(*a*) a declaration of relevant income for the preceding financial year or, if they have not the necessary information, for the financial year before that year;

(*b*) a declaration of estimated relevant income for the financial year preceding the child's first assisted year;

(*c*) such other information as may be specified for the purposes hereof by the Secretary of State.

(2) A school shall not select for an assisted place a child whose fees for his first assisted year would not fall to be remitted in whole or in part in pursuance of Part III of these Regulations.

Academic conditions

8. A school shall not select a child for an assisted place unless they are satisfied that he is capable of benefiting from the education provided at the school but, subject as aforesaid, the selection of children for assisted places at a school shall, subject to any provisions in that regard in the participation agreement, be made by the school in accordance with such methods and procedures as appear to them appropriate.

PART III

Remission of Fees

References to remission questions

9. For the purposes hereof "remission questions" mean the questions whether or not the parents of an assisted pupil are entitled to any remission of fees payable in respect of him and the extent of such remission.

References to financial years

10.—(1) For the purposes hereof "financial year" means, subject to paragraph (2), a year ending with 5th April and, in relation to a particular school year, "preceding financial year" means the financial year preceding that school year and "current financial year" means the financial year which includes the first day of that school year.

(2) Where the parents of a pupil satisfy the school that their income is wholly or mainly derived from the profits of a business, profession or vocation carried on by either or both of them, then if the parents and the school so agree, any reference in this Part to a financial year shall be construed as a reference to a year ending with such date as appears to the school expedient having regard to the accounts kept in respect of that business or profession and the periods covered thereby.

References to income

11.—(1) For the purposes hereof the income of any person for a financial year shall, subject however to the provisions of the Schedule hereto, be taken to be his total income for that year; and, in this paragraph and the said Schedule, "total income" has the same meaning as in section 32 of the Finance Act 1971**(a)**.

(2) For the purposes hereof "relevant income" as respects an assisted pupil means, in relation to any financial year, his parents' income for that year aggregated with the unearned income for that year, if any, of the pupil himself and of any other of the parents' children who are wholly or mainly dependent on them at the time the relevant income is calculated less, where paragraph (3) applies, the sum there mentioned.

In this paragraph the reference to unearned income is a reference to income other than such as arises from gainful employment.

(3) The relevant income, calculated as aforesaid, shall be reduced by £600 in respect of each person other than the assisted pupil who—

(*a*) is wholly or mainly dependent on the parents at the time the relevant income is calculated, and

(*b*) is a child or other relative of one or both of the parents.

General provisions relating to remission

12.—(1) The parents of an assisted pupil shall not be entitled to any remission of fees for which they are liable in respect of a period before the pupil took up his assisted place or (in lieu of notice or otherwise) after he has left the school or, if he so remains at the school, after the end of the school year in which he attains the age of 20 years.

(2) The parents of an assisted pupil shall be under no obligation to apply for remission of fees as respects a particular school year if they consider themselves not entitled thereto but if, as respects such a year, they do not—

(*a*) duly apply to the school for remission of fees payable for that year, or

(*b*) subject to Regulation 14(4), duly furnish the school with the information and supporting evidence requisite for determining remission questions,

they shall not be entitled to any remission of fees for that year.

(3) If the Secretary of State is satisfied that, in the case of a particular assisted pupil, his parents have furnished information required for determining remission questions which they know to be false in a material particular, or have recklessly furnished such information which is false in a material particular, he may direct that those parents shall not be entitled to any remission of fees in the case of that pupil and, if he so directs, in the case of any other of their children who are assisted pupils, as respects a specified school year and, if he so directs, any subsequent school year:

Provided that—

(*a*) the Secretary of State shall not give a direction hereunder without affording the parents concerned an opportunity to make representations or without considering such representations;

(*b*) the giving of a direction hereunder shall be without prejudice to its variation or revocation by a subsequent direction.

(a) 1971 c. 68, amended by section 14 of the Finance Act 1978 (c. 42).

(4) This Regulation shall have effect notwithstanding anything in Regulation 13 or any other provision of these Regulations.

Determination of remission questions

13.—(1) Subject to paragraph (2), in the case of each assisted pupil remission questions shall be determined by the school, in accordance with this Part, for each school year, whether or not the parents have been entitled to any remission as respects a previous school year.

(2) Where either—

(*a*) the pupil holds an assisted place at the school for part only of the school year or leaves the school part way through the school year; or

(*b*) the number of children of the parents who hold assisted places differs for different parts of the school year,

the said questions shall be determined by the school for that part, or separately for those parts, and the extent to which fees in respect of part of a school year are to be remitted shall be that proportion of the amount by which the fees for the whole school year would fall to be remitted which is the proportion which the fees for the part bear to the fees for the whole school year.

Calculation of remission

14.—(1) Subject to paragraphs (2), (3) and (4), remission questions shall be determined by reference to relevant income in the preceding financial year.

(2) Where one of the pupil's parents has died in either the preceding financial year or the current financial year and the school are satisfied that the income of the surviving parent in the current financial year, when aggregated with that of the deceased parent where he died in that year, is likely to be less than their aggregated income in the preceding financial year, the remission questions shall be determined by reference to the current financial year; and, in such case, paragraph (1) shall have effect as if the reference therein to the preceding financial year were a reference to the current financial year and, if the deceased parent died in that year, the reference to the pupil's parents in Regulation 11(2) included a reference to the deceased parent.

(3) Where in a case not falling within paragraph (2) the school are satisfied that the relevant income in the current financial year is likely to be so much less than the relevant income in the preceding financial year that financial hardship would result from remission questions being determined by reference to that year then, if the Secretary of State so approves, those questions shall be determined in relation to the school year in question and, unless and until he otherwise directs, any subsequent school year by reference to the current financial year; and, in such case, paragraph (1) shall have effect as if the reference therein to the preceding financial year were a reference to the current financial year.

(4) Where it is not reasonably practicable for the parents to furnish, before the beginning of a school year, the requisite information as to relevant income for the appropriate financial year then, in relation to that school year, remission questions may be determined provisionally, having regard to relevant income for earlier financial years, as the school think fit but—

(*a*) no such provisional determination shall be more favourable to the parents than one arrived at by reference to an estimate furnished by the parents of relevant income for the appropriate financial year;

(*b*) a provisional determination shall cease to have effect when the parents have furnished the requisite information or if the school are satisfied

that it has become reasonably practicable for them to do so but they have failed to furnish it, and

(*c*) within three months of the final determination of the remission questions any over-remission or under-remission of fees shall be adjusted by payments between the parents and the school.

Scales of remission

15.—(1) Where the relevant income for the appropriate financial year does not exceed £4,766 the fees shall be wholly remitted.

(2) In any other case, the fees for a school year in respect of each assisted pupil shall be remitted to the extent (if any) necessary to secure that the parents' residual liability for that pupil's fees is of an amount (rounded down to the nearest multiple of £3) equal to the aggregate of the specified percentages of those parts of the relevant income referred to in column (1) of the following Table, being the percentages—

(*a*) specified opposite those parts in column (2), where only one child of the parents is an assisted pupil;

(*b*) so specified in column (3), where two children of the parents are assisted pupils (whether at the same or different schools);

(*c*) specified for the purposes hereof by the Secretary of State, where more than two children of the parents are such pupils.

ADMINISTRATIVE ARRANGEMENTS

Time limits, forms, etc.

16. The Secretary of State may specify for the purposes hereof—

(*a*) the time by which, and the manner and form in which, applications, declarations of relevant income or estimated income and other information requisite for the purposes of these Regulations are to be made

or furnished to a school by the parents of an assisted pupil, or by parents applying for an assisted place, and the documentary or other evidence to be provided in support thereof;

(*b*) the time by which, and the manner and form in which, a school are to notify the parents of an assisted pupil as to whether they are entitled to any remission of fees for a particular school year and, if so, the extent of remission.

17.—(1) Claims for the reimbursement of fees remitted in pursuance of these Regulations ("reimbursement claims") may be submitted to the Secretary of State by a school in respect of such periods, not being less than a term, as appear to them appropriate and, with his consent, claims may be submitted on the basis of an estimate of fees so remitted ("provisional claims"); but, where a provisional claim is submitted, the school shall, as soon as is reasonably practicable, submit a reimbursement claim in respect of the period in question which is not based on such an estimate and that claim shall supersede the provisional claim.

(2) As soon as is reasonably practicable after he is satisfied as respects a reimbursement claim, the Secretary of State shall reimburse the school in pursuance of the claim without prejudice, however, where he considers it expedient so to do, to his making earlier payments on account in pursuance of the claim or in pursuance of a provisional claim in respect of the same period.

(3) Any over-payment or under-payment by way of reimbursement which appears to the Secretary of State to have occurred shall be adjusted as soon as is reasonably practicable by payments between the Secretary of State and the school concerned.

(4) Subject to the preceding provisions of this Regulation, reimbursement claims shall be made at such times, in such manner and form and be supported by such declarations and other information, as the Secretary of State may require.

PART V

MISCELLANEOUS REQUIREMENTS

(*b*) annual particulars of the number of assisted places likely to be offered in the year in question together with information as to the making of applications therefor and as to arrangements for selection, admission and fee remission;

(*c*) information as to the public examinations for which pupils at the school are entered and as to the results obtained by such pupils being information which is required to be published, in the case of a school maintained by a local education authority, by section 8(5) of the Education Act 1980 and regulations from time to time in force thereunder, and

(2) Subject to any directions given by the Secretary of State for the purposes hereof, either generally or in the case of a particular school, anything required to be published under paragraph (1) shall be published in such manner, and at such time or times, as appears to the school appropriate for the purpose of bringing the particulars or information to the attention of parents likely to be interested therein.

Proportion of pupils from publicly maintained schools

19.—(1) Subject to paragraph (3), in selecting pupils to take up assisted places in any school year, a school shall select pupils from publicly maintained schools and from other schools in such proportion as appears to them likely to ensure that at least 60 per cent of the total number of assisted pupils at the school in that school year will be pupils from publicly maintained schools.

(2) Any reference in paragraph (1) to a pupil from a publicly maintained school is a reference to a pupil from—

(*a*) a school maintained by a local education authority,

(*b*) a school under the management of an education authority in Scotland,

(*c*) a school in Northern Ireland to or in respect of which grants are made under the Education and Libraries (Northern Ireland) Order 1972**(a)**, or

(*d*) a school maintained by the Secretary of State for Defence,

who, at the time of his selection for an assisted place (or consideration for selection), was attending such a school and had so attended for a continuous period including at least the whole of the previous school year so, however, that where the school is a grant-aided grammar school in Northern Ireland no fees were payable in respect of his attendance.

(3) On application in that behalf made by a particular school the Secretary of State may modify or dispense with the requirement in paragraph (1) as respects a year specified by him but he may attach such conditions as he thinks fit to any such modification or dispensation.

Fees, etc., payable

20.—(1) In the case of an assisted pupil—

(*a*) the fees charged by a school shall not include a sum to be paid into a bursary or similar fund, and

(2) The fees for assisted pupils for any school year (other than entrance fees for public examinations) shall be payable in respect of each term and, subject to any increase in fees in the course of the school year, the fees payable in respect of each term shall be a third of those payable for the whole of that year.

(3) This Regulation shall have effect subject to any provisions relating to fees in the participation agreement.

Increase in fees

21. A school shall not increase the fees for assisted pupils unless they have given the Secretary of State at least two months' written notice of their intention so to do and, if within a month of receiving such notice the Secretary of State so directs, shall refrain from making, postpone or restrict the amount of the increase, as he may then or subsequently require.

(a) S.I. 1972/1263 (N.I. 12).

Returns, etc., required by the Secretary of State

22. A school shall furnish the Secretary of State with such periodic returns and information as he may require relating to the school or assisted pupils thereat including, in particular, information relevant to an intended increase in fees for assisted pupils.

(2) At the request of the Secretary of State, a school shall furnish him with copies of their accounts for such periods as he may specify together with copies of the auditor's certificate relating thereto.

Teachers

24. A school shall comply with any prohibition or restriction imposed for the purposes hereof by the Secretary of State on the employment of a person as a teacher where the person has been convicted of a criminal offence or has otherwise misconducted himself so as to render such a prohibition or restriction expedient in the opinion of the Secretary of State.

SCHEDULE

COMPUTATION OF INCOME

1.—(1) This Schedule shall have effect for the purposes of determining a person's income for the purposes of these Regulations by reference to his total income.

(2) In this Schedule any reference to the Act of 1970 is a reference to the Income and Corporation Taxes Act 1970(a).

2. Where any income of a person is not part of his total income by reason only that—

(*a*) he is not resident, ordinarily resident or domiciled in the United Kingdom, or

(*b*) the income does not arise in the United Kingdom, or

(*c*) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any enactment,

his income for the purposes of these Regulations shall be computed as though the income first mentioned in this paragraph were part of his total income.

3. In so far as in ascertaining a person's total income any deductions fall to be made—

EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations relate to the scheme for assisted places at independent schools required to be established by section 17 of the Education Act 1980.

Part II of the Regulations deals with eligibility for selection for an assisted place. In particular, a child must have been ordinarily resident in the United Kingdom, the Channel Islands or the Isle of Man (or, in certain cases, in the European Community) throughout the three years preceding 1st January before his first assisted year, that is to say, the school year in which he would take up an assisted place (*Regulations 3(3) and 4*). He must have attained the age of 11 years or have his eleventh birthday before 31st July in his first assisted year (*Regulation 5(1)(a)*). A child who is a registered pupil at a school maintained by a local education authority is normally only eligible for selection for an assisted place at sixth form level if the authority in question agrees (*Regulation 6(3)*). A child is not to be eligible for an assisted place unless he would qualify for fee remission in his first assisted year (*Regulation 7(2)*). It is the responsibility of a school to select from among those eligible the children to be offered assisted places (*Regulation 8*).

Part III deals with the extent to which fees are to be remitted. The extent of remission is determined by reference to relevant income (defined in *Regulation 11*) but where that income does not exceed £4,766 the entire fees fall to be remitted (*Regulation 15*).

Part IV deals with administrative arrangements and, in particular, enables the Secretary of State to specify the time, manner and form in which applications, declarations and claims are to be made.

Part V contains miscellaneous requirements. In particular, a school is required to publish certain information about itself and the operation of the scheme at the school (*Regulation 18*). At least 60 per cent of the assisted place holders at a school are to be children from maintained schools (*Regulation 19*). Charges additional to fees are not to be made of parents (*Regulation 20*) and the Secretary of State is given power to prevent, postpone or restrict a proposed increase in fees for assisted pupils (*Regulation 21*).
