EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations replace the Education Authority Bursaries (Scotland) Regulations, 1947. The principal changes are designed (1) to make specific provision for "apprentices' bursaries" for apprentices attending educational establishments during continuous periods of release from employment, and "pre-vocational bursaries" for pupils undergoing pre-apprenticeship courses, pre-nursing courses and other courses of a similar type, (2) to require that when an award is made or renewed the holder will be notified that it is a condition of tenure of the award that the Authority shall be satisfied as to his conduct and progress, and (3) to prescribe fixed or minimum instead of maximum sums to be allowed for expenditure upon maintenance of the holder of an award when assessing the amount of the award.
