A.D. 1891.

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Saving of public rights of way.

2. Nothing herein contained shall be construed to authorise the said Board to extinguish any public rights of way without such Order being obtained as, but for this Act, would have been required for that purpose.

Saving with respect to houses of labouring classes.

3.—(1.) The Board shall not under the powers of this Act purchase or acquire in any parish in the Metropolis twenty or more houses which after the passing of this Act have been or on the fifteenth day of December last were occupied either wholly or partially by persons belonging to the labouring class as tenants or lodgers, unless and until—

dwellings for such number of persons as were residing in such houses on the fifteenth day of December last, or for such number of persons as the Secretary of State shall after inquiry deem necessary, having regard to the number of persons on or after that date residing in such houses and working within one mile therefrom and to the amount of vacant suitable accommodation in the immediate neighbourhood of such houses, or to the place of employment of such persons, and to all the circumstances of the case; and

(*b*.) They shall have given security to the satisfaction of the Secretary of State for the carrying out of the scheme.

(2.) The approval of the Secretary of State to any scheme under this section may be given either absolutely or conditionally, and after the Secretary of State has approved of any such scheme he may from time to time approve either absolutely or conditionally of any modifications in the scheme.

(3.) Every scheme under this section shall contain provisions prescribing the time within which it shall be carried out, and shall require the new dwellings proposed to be provided under the scheme to be completed fit for occupation before the persons residing in the houses in respect of which the scheme is made are displaced: Provided that the Secretary of State may dispense with the last-mentioned requirement subject to such conditions (if any) as he may see fit.

(4.) Any provisions of any scheme under this section, and any conditions subject to which the Secretary of State may have approved of any scheme, or of any modifications of any scheme under this section, or subject to which he may have dispensed with the above-mentioned requirement, shall be enforceable by a writ of Mandamus to be obtained by him out of the Queen's Bench Division of the High Court of Justice.

(5.) If the Board acquire or appropriate any house or houses for the purposes of this Act in contravention of the foregoing provisions, or displace or cause to be displaced the persons residing in any house or houses in contravention of the requirements of the scheme, they shall be liable to a penalty of five hundred pounds in respect of any such house, which penalty shall be recoverable by the Secretary of State by action in the High Court of Justice, and shall be carried to and form part of the Consolidated Fund of the United Kingdom: Provided that the Court may, if it think fit, reduce such penalty.

(6.) For the purpose of carrying out any scheme under this section the Board may, subject to the approval of the Lords of the Committee of the Privy Council on Education, appropriate any lands for the time being belonging to them or which they have power to acquire, and may purchase such further lands as they may require.

(7.) The Board may, subject to such approval as aforesaid, on any lands belonging to them, or purchased or acquired under this section, erect such dwellings for persons of the labouring class as may be necessary for the purpose of any scheme under this section, and may sell, demise, or let, or otherwise dispose of such dwellings and any lands purchased or acquired as aforesaid.

(8.) All lands on which any buildings have been erected or provided by the Board in pursuance of any scheme under this section shall, for a period of twenty-five years from the passing of this Act, be appropriated for the purpose of dwellings, and every conveyance, demise, or lease of such lands and buildings shall be endorsed with notice of this enactment: Provided that the Secretary of State may at any time dispense with all or any of the requirements of this subsection, subject to such conditions (if any) as he may see fit.

(9.) All buildings erected or provided by the Board for the purpose of any scheme under this section shall be subject to the provisions of the Metropolitan Building Act, 1855, and the Metropolis Management Act, 1855, and any Acts amending those respective Acts.

18 & 19 Vict. c. 122.
18 & 19 Vict. c. 120.

(10.) The Secretary of State may direct any inquiries to be held which he may deem necessary in relation to any scheme under this section, and for giving effect to any of the provisions of this section, and may appoint inspectors for the purposes of any such inquiry; and every such inspector shall, for the purposes of any such inquiry, have all such powers as inspectors of the Local Government Board have for the purposes of inquiries directed by that Board under the Public Health Act, 1875.

38 & 39 Vict. c. 55.

(11.) The Board shall pay to the Secretary of State a sum to be fixed by him in respect of any expenses incurred by him in relation to any inquiries under this section, including the expenses of any witnesses summoned by the inspector holding the inquiry, and a reasonable sum to be fixed by the Secretary of State for the services of such inspector.

A.D. 1891.

(12.) For the purposes of this section the expression "labouring class" includes mechanics, artizans, labourers, and others working for wages, hawkers, costermongers, persons not working for wages but working at some trade or handicraft without employing others except members of their own family, and persons, other than domestic servants, whose income does not exceed an average of thirty shillings a week, and the families of any of such persons who may be residing with them.

(13.) The Board and the Lords of the Committee of the Privy Council on Education and the Secretary of State are hereby respectively authorised and empowered to do all acts, matters, and things for carrying into full effect every such scheme as aforesaid, and the Board and the Lords of the Committee of the Privy Council on Education shall for that purpose have the same powers as they have under the Elementary Education Acts, 1870 to 1880, for the purpose of providing sufficient school accommodation for their district, including the power of borrowing money under section ten of the Elementary Education Act, 1873, and the carrying of such scheme into effect shall be deemed to be a work for which the Board is authorised to borrow within the meaning of the Public Works Loans Act, 1875.

36 & 37 Vict. c. 86.

38 & 39 Vict. c. 89.

Provision as to lands of the Governors of Christ's Hospital.

4. Whereas by the said Order as originally made it was proposed to authorise the Board to put in force the Lands Clauses Acts with reference to a piece of land in the parish of Lewisham, in the county of Kent, belonging to the mayor, and commonalty, and citizens of the City of London, governors of the possessions, revenues, and goods of the hospitals of Edward, late King of England, the Sixth, of Christ, Bridewell, and Saint Thomas the Apostle, herein-after called the said Governors: And whereas, by agreement between the said Governors and the Board, all powers of purchasing the said land have been struck out of the said Order: And the said Governors have agreed to sell, and the Board have agreed to purchase, all the right and interest of the Governors in a piece of land shown upon the plan (herein-after called the signed plan), signed in duplicate by Walter Vaughan Morgan on behalf of the said Governors, and George Hector Croad on behalf of the Board, deposited in the Parliament Office and in the Private Bill Office of the House of Commons: And whereas the said Governors are trustees for Christ's Hospital without power of sale: Be it therefore enacted that the said Governors may sell all their estate, right, and interest in the piece of land shown on the said signed

plan, and the provisions of the Lands Clauses Acts shall extend and apply to such purchase and sale as if the said Governors were persons under disability within the meaning of section seven of the Lands Clauses Consolidation Act, 1845.

Short title.

5. This Act may be cited as the Education Department Provisional Order Confirmation (London) Act, 1891.
