CHAPTER lxxxii.

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 to 1909 relating to Haworth Urban District Irlam Kingston-upon-Hull (Extension) Knaresborough Litherland Normanton Urban District Ryde (Amendment) Skipton Stanley (Yorkshire) and Tenby. A.D. 1915.

[29th July 1915.]

WHEREAS under the authority of the Electric Lighting Acts 1882 to 1909 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act: 45 & 46 Vict. c. 56. 51 & 52 Vict. c. 12. 9 Edw. 7. c. 34.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 2) Act 1915. Short title.

2. The several Orders as amended and set out in the schedule to this Act are hereby confirmed and the same shall from and after the passing and subject to the provisions of this Act have full validity and effect. Orders in schedule confirmed.

A.D. 1915.

For protection of Lancashire County Council.

3.—(1) Nothing in the Irlam Electric Lighting Order 1915 confirmed by this Act shall in any way limit or affect the powers of the Lancashire County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridgemaster necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of West Riding County Council.

4.—(1) Nothing in the Knaresborough Electric Lighting Order 1915 the Normanton Urban District Electric Lighting Order 1915 the Skipton Electric Lighting Order 1915 or the Stanley (Yorkshire) Electric Lighting Order 1915 confirmed by this Act shall in any way limit or affect the powers of the County Council of the West Riding of Yorkshire (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by

any of the said Orders authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the said Orders.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertakings by any of the said Orders authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

A.D. 1915.

SCHEDULE.

LIST OF ORDERS.

1. Haworth Urban District.—Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to the Urban District Council of Haworth.

2. Irlam.—Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to the Urban District Council of Irlam.
