CHAPTER lxxxviii.

A.D. 1903.

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 and 1888 relating to Abersychan Calverley Falmouth Horsforth Launceston Maesteg Walton-upon-Thames Warmley Whickham and Wigan (Rural).

[21st July 1903.]

WHEREAS under the authority of the Electric Lighting Acts 1882 and 1888 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act: 45 & 46 Vict. c. 56. 51 & 52 Vict. c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 5) Act 1903. Short title.

2. The several Orders as amended and set out in the schedule to this Act shall be and the same are hereby confirmed and all the provisions thereof in manner and form as they are set out in the said schedule shall from and after the passing of this Act have full validity and effect. Orders in schedule confirmed.

A.D. 1903.

For protection of Gloucestershire County Council.

3.—(1) Nothing in the Warmley Electric Lighting Order 1903 confirmed by this Act shall in any way limit or affect the powers of the Gloucestershire County Council to re-build alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the County Council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the County Council require to carry out works for re-building altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such work and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the County Council necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall and may at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the County Council and the County Council shall not be required to pay compensation to the Undertakers for any loss or damage to which they may be put in consequence of the exercise of the powers of the County Council or of the removal of such mains and appliances.

(3) When the re-building altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge as they had before the works were carried out.

(4) If any dispute arises between the County Council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of Lancashire County Council.

4.—(1) Nothing in the Wigan Rural District Council Electric Lighting Order 1903 confirmed by this Act shall in any way limit or affect the powers of the Lancashire County Council to re-build alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the County Council any liability which was not by law imposed upon them prior to the commencement of the Order.

A.D. 1903.

(2) If at any time the County Council require to carry out works for re-building altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such work and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridgemaster necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the County Council.

(3) When the re-building altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the County Council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

A.D. 1903.

SCHEDULE.

LIST OF ORDERS.

1. ABERSYCHAN.—Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Urban District Council of Abersychan.
