CHAPTER cxiii.

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 and 1888 relating to Andover Burslem (Extension to Tunstall) Hessle Litherland Little Hulton Penmaenmawr Ravensthorpe Stratford-upon-Avon Surbiton and Tewkesbury. [4th August 1905.]

A.D. 1905.

WHEREAS under the authority of the Electric Lighting Acts 1882 and 1888 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act: 45 & 46 Vict. c. 56. 51 & 52 Vict. c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

Short title.

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 5) Act 1905.

Orders in schedule confirmed.

2. The several Orders as amended and set out in the schedule to this Act shall be and the same are hereby confirmed and all the provisions thereof in manner and form as they are set out in the said schedule shall from and after the passing of this Act have full validity and effect.

A.D. 1905.

For protection of Staffordshire County Council.

3.—(1) Nothing in the Burslem Electric Lighting (Extension to Tunstall) Order 1905 confirmed by this Act shall in any way limit or affect the powers of the Staffordshire County Council to rebuild alter raise widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering raising widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of West Riding County Council.

4.—(1) Nothing in the Ravensthorpe Electric Lighting Order 1905 confirmed by this Act shall in any way limit or affect the powers of the West Riding County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the

commencement of such work give the Undertakers one month's notice of their intention to carry out such work and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county surveyor necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of Gloucestershire County Council.

5.—(1) Nothing in the Tewkesbury Electric Lighting Order 1905 confirmed by this Act shall in any way limit or affect the powers of the Gloucestershire County Council to rebuild alter widen or repair any arch or bridge in or upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any arch or bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such arch or bridge then the Undertakers shall and may at their own expense temporarily carry their cables and wires along or across such arch or bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to

A.D. 1905.

be carried out by the county council and the county council shall not be required to pay compensation to the Undertakers for any loss or damage to which they may be put in consequence of the exercise of the powers of the county council or of the removal of such mains and appliances.

(3) When the rebuilding altering widening or repairing of such arch or bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such arch or bridge as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

Power to break up roads outside area of supply.

6. The Undertakers for the purposes of the Stratford-upon-Avon Electric Lighting Order 1901 (Amendment) Order 1905 confirmed by this Act may subject to and in accordance with such of the provisions of the Electric Lighting (Clauses) Act 1899 incorporated with that Order as relate to the breaking up of streets break up so much of the Tiddington Alveston and Wellesbourne Road (from the boundary of the borough of Stratford-upon-Avon to Hill Road) Hill Road The Rookery and Mill Lane as lies outside the borough and within the parish of Alveston in the rural district of Stratford-upon-Avon.

SCHEDULE.

LIST OF ORDERS.

1. Andover.—Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Mayor Aldermen and Burgesses of the Borough of Andover.

2. Burslem (Extension to Tunstall).—Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Mayor Aldermen and Burgesses of the Borough of Burslem.

3. Hessle.—Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 and 1888 to the Urban District Council of Hessle.

A.D. 1905.

Andover.

FOURTH SCHEDULE.

MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt during one hour.

SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter For any amount up to twenty units thirteen shillings and fourpence and for each unit over twenty units eightpence.

SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

BURSLEM ELECTRIC LIGHTING (EXTENSION TO TUNSTALL).

Burslem.

Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 *and* 1888 *to the Mayor Aldermen and Burgesses of the Borough of Burslem in respect of the Urban District of Tunstall in the County of Stafford.*

Short and collective titles.

1. This Order may be cited as the Burslem Electric Lighting (Extension to Tunstall) Order 1905 and the Burslem Electric Lighting Order 1898 the Burslem Electric Lighting (Extension) Order 1899 and this Order may be cited together as the Burslem Electric Lighting Orders 1898 to 1905.

Incorporation of Electric Lighting (Clauses) Act 1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the mayor aldermen and burgesses of the borough of Burslem

but those Undertakers are not the local authority for the purposes of that Act within the area of supply under this Order except that sections 23 and 65 of the said schedule shall apply as respects that area as if the Undertakers were the local authority.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to break up railway and tramways.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the railway and tramways which are mentioned in the Second Schedule to this Order.

Compulsory works.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Maximum prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order Provided that unless and until the undertaking authorised by this Order is transferred to the local authority under the special powers given by this Order or under section 2 of the Electric Lighting Act 1888 the Undertakers shall not be entitled to charge consumers for energy supplied to them whether for public or private purposes at a higher rate than the charge made to consumers in similar circumstances for similar purposes in the area of supply under the Burslem Electric Lighting Order 1898.

Power to Tunstall Urban District Council to purchase undertaking.

8.—(1) The local authority may at any time after the commencement of this Order by six months' notice in writing require the Undertakers to sell and thereupon the Undertakers shall sell to them the undertaking authorised by this Order upon the terms of the local authority paying to the Undertakers the then value of all lands buildings works materials and plant of the Undertakers suitable to and used by them for the purposes of the undertaking within the area of supply such value to be in case of difference determined by arbitration Provided that the value of such lands buildings works materials and plant shall be deemed to be their fair market value at the time of the purchase due regard being had to the nature and then condition of such buildings works materials and plant and to the state of repair thereof and to the circumstance that they are in such a position as to be ready for immediate working and to the suitability of the same to the purposes of the undertaking Provided also that no addition to such value shall be made

A.D. 1905.

Burslem.

on account of compulsory purchase or of goodwill or of any profits which may or might have been or be made from the undertaking or of any similar considerations The Board of Trade may determine any other questions which may arise in relation to such purchase and may fix the date from which such purchase is to take effect and from and after the date so fixed all lands buildings works materials and plant so purchased as aforesaid shall vest in the local authority freed from any debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity under this Order within the area of supply under this Order shall absolutely cease and determine and shall vest in and attach to and may be exercised by the local authority who shall as from the date of the transfer become the Undertakers for the purposes of this Order.

(2) The powers of purchase given by this section shall be in addition to and not in derogation of the power of the local authority to purchase under section 2 of the Electric Lighting Act 1888.

For protection of Potteries Electric Traction Company Limited.

9. Where the exercise of the powers of the Undertakers will involve the placing of any works alongside and within three feet of any rail of any existing tramway of the Potteries Electric Traction Company Limited the provisions of section 15 of the Schedule to the Electric Lighting (Clauses) Acts 1899 shall with any necessary modifications apply and have effect as if such works were placed over or under such tramway.

Repeal of Tunstall Electric Lighting Order 1900.

10. The Tunstall Electric Lighting Order 1900 is hereby repealed without prejudice to anything done or suffered thereunder.

Commencement of Order.

11. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

SCHEDULES.

FIRST SCHEDULE.

AREA OF SUPPLY.

The urban district of Tunstall as constituted at the commencement of this Order.

SECOND SCHEDULE.

List of Railway and Tramways which may be broken up by the Undertakers in pursuance of the special powers granted by this Order.

FOURTH SCHEDULE.

MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt during one hour.

SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter For any amount up to twenty units thirteen shillings and fourpence and for each unit over twenty units eightpence.

SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

A.D. 1905.

HESSLE ELECTRIC LIGHTING.

Hessle.

Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 *and* 1888 *to the Urban District Council of Hessle in respect of the Urban District of Hessle in the East Riding of the County of York.*

Short title.

1. This Order may be cited as the Hessle Electric Lighting Order 1905.

Incorporation of Electric Lighting (Clauses) Act 1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the urban district council of Hessle.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to break up streets.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order.

Compulsory works.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Maximum prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Revision of prices so as to balance revenue and expenditure.

8.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882.

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(*a*) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(*b*) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(*a*) be subject to revision at the next triennial revision provided for in this section; or

(*b*) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

Commencement of Order.

9. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

A.D. 1905.

Litherland.

FOURTH SCHEDULE.

MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt during one hour.

SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter For any amount up to twenty units eleven shillings and eightpence and for each unit over twenty units sevenpence.

SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

LITTLE HULTON ELECTRIC LIGHTING.

Little Hulton. *Provisional Order granted by the Board of Trade under the Electric Lighting Acts* 1882 *and* 1888 *to the Urban District Council of Little Hulton in respect of the Urban District of Little Hulton in the County of Lancaster.*

Short title. 1. This Order may be cited as the Little Hulton Electric Lighting Order 1905.

Incorporation of Electric Lighting (Clauses) Act 1899. 2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers. 3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the urban district council of Little Hulton.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to break up streets &c.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the railway which is also mentioned in that schedule.

Compulsory works.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Maximum prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Revision of prices so as to balance revenue and expenditure.

8.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882.

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that —

(*a*) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(*b*) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this

A.D. 1905.

Little Hulton.

section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(*a*) be subject to revision at the next triennial revision provided for in this section; or

(*b*) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

(5) This section shall not apply to the Undertakers or to the undertaking if and so long as the Undertakers are not a local authority.

Special powers of transfer.

9. At any time within six months or such further period not exceeding in the whole twelve months as may be allowed by the Board of Trade from the commencement of this Order the Undertakers may with the consent of and upon such terms and conditions as may be approved by the Board of Trade transfer the undertaking authorised by this Order to the Lancashire Electric Power Company and upon that transfer being made the rights powers authorities obligations and liabilities of the Undertakers in respect of the undertaking shall be transferred to and may be exercised by and shall attach to the said company and that company shall subject to the provisions of this Order become the undertakers for the purposes of this Order.
