CHAPTER cxx.

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 to 1909 relating to Cowbridge and Penybont Hinckley and District Reading (York Town Bulk Supply) Watford (Extension) Whitstable and York (Extension). A.D. 1914.

[31st July 1914.]

WHEREAS under the authority of the Electric Lighting Acts 1882 to 1909 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act: 45 & 46 Vict. c. 56. 51 & 52 Vict. c. 12. 9 Edw. 7. c. 34.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 7) Act 1914. Short title.

2. The several Orders as amended and set out in the schedule to this Act are hereby confirmed and the same shall from and after the passing and subject to the provisions of this Act have full validity and effect. Orders in schedule confirmed.

A.D. 1914.

For protection of Glamorgan County Council.

3.—(1) Nothing in the Cowbridge and Penybont Electric Lighting Order 1914 confirmed by this Act shall in any way limit or affect the powers of the Glamorgan County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of Berkshire County Council.

4.—(1) Nothing in the Reading Electric (York Town Bulk Supply) Order 1914 confirmed by this Act shall in any way limit or affect the powers of the county council of Berkshire (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

A.D. 1914.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of Hertfordshire County Council.

5.—(1) The provisions of section 46 of the Watford Urban District Council Act 1909 shall apply to the Hertfordshire County Council and the Watford Urban District Council in relation to the undertaking authorised by and the whole area of supply under the Watford Electric Lighting Act and Orders 1897 to 1913 as extended by the Watford Electric Lighting (Extension) Order 1914 as if the Watford Electric Lighting (Extension) Order 1913 and the Watford Electric Lighting (Extension) Order 1914 had been referred to in the said section 46.

(2) Section five (For protection of Hertfordshire County Council) of the Electric Lighting Orders Confirmation (No. 5) Act 1913 is hereby repealed.

For protection of Kent County Council.

Certain provisions of York Corporation Act 1902 to apply to York Electric Lighting (Extension) Order 1914.

9.—(1) The provisions of Part II. of the York Corporation Act 1902 which apply to the undertaking within the area of supply under the York Electric Lighting Order 1890 (confirmed by the Electric Lighting Orders Confirmation (No. 6) Act 1890) shall also apply mutatis mutandis to the undertaking within the area added to the area of supply under the said Order by the York Electric Lighting (Extension) Order confirmed by this Act so far as the lord mayor aldermen and citizens of the city of York are for the time being the Undertakers for the purposes of the last-mentioned Order within the added area.

(2) Section thirteen (As to expenses) of the said Act of 1902 shall be read and have effect as if section seven of the schedule to the Electric Lighting (Clauses) Act 1899 were therein referred to instead of sections fifty-two and fifty-three of the first-mentioned Order.

For protection of Hinckley Urban District Council.

10. Subject to the provisions of the section of the Hinckley and District Electric Lighting Order 1914 (in this section called "the Order") of which the marginal note is "Powers not to be exercised unless undertaking transferred" the following provisions for the protection of the urban district council of Hinckley (in this section called "the council") and of the urban district of Hinckley as constituted at the twenty-sixth day of November one thousand nine hundred and thirteen (in this section referred to as "the district") shall unless otherwise agreed upon in writing between the Leicestershire and Warwickshire Electric Power Company (in this section called "the company") and the council have effect (that is to say):—

(1) The whole of the electrical energy now or hereafter to be supplied by the company by means of low

tension cables within the district whether under the Order when the same has been transferred to the company in accordance with the provisions of the Order or under the powers granted by the Leicestershire and Warwickshire Electric Power Acts 1902 and 1904 (in this section called "the special Acts") shall at all times be supplied from a single substation situated within the district from which the low tension distributing mains for giving such supply shall be led and in which all plant necessary for transforming electrical energy to be supplied shall be installed Provided that the consent of the council to the erection by the company of an additional or further substations within the district shall not be unreasonably withheld :

(2) If the council shall under section two of the Electric Lighting Act 1888 purchase so much of the undertaking authorised by the Order as is within the district the portion of the undertaking so purchased shall be deemed to and shall include all lands buildings works materials and plant of the company within the district which are suitable to and used by the company for the supply of electrical energy within the district (but excepting any generating station and any mains or cables used for transmitting high tension current from such generating station to any substation of the company or direct to any consumer in the district or to any premises outside the district) and any works materials and plant forming an extension from any point or points within the district to any premises which are outside the district and outside the area of supply under the Order to which the Board of Trade may by order under section six of the Electric Lighting Act 1909 permit the company to give a supply of electrical energy whether such lands buildings works materials and plant were provided constructed or maintained by the company under the powers of the Order or any order made by the Board of Trade under the said section six or under the powers contained in the special Acts and the said section two shall apply to all such lands buildings works materials and plant in all respects as if the

same formed part of the undertaking under the Order:

Provided that—

No allowance shall be made to the company for any loss by severance other than the reasonable cost of connecting to the then remaining system of the company such installations as may at the date of the purchase be supplied by means of any low tension distributing cable or cables laid down from any substation within the district across the boundary line between the parish of Barwell as constituted at the twenty-sixth day of November one thousand nine hundred and thirteen and the district for the purpose of supplying any consumer or consumers in that parish with electricity:

(3) From and after the purchase by the council of so much of the undertaking of the company as is referred to in the last preceding subsection of this section the company shall not supply electrical energy to any consumer through or by means of any low tension cables or mains under the powers granted by the special Acts within or for use within the district or to or for the use of any premises which are outside the district and outside the area of supply under this Order to which the Board of Trade under section six of the said Act of 1909 may have permitted the company to give a supply of electrical energy from any point within the district:

(4) From and after the purchase by the council of so much of the undertaking of the company as is referred to in subsection (2) of this section the company shall supply to the council and the council shall take all electrical energy which the council shall require for the purpose of the portion of the undertaking so purchased upon such terms as shall be agreed upon between the company and the council or as failing agreement shall be determined by arbitration regard being had in any such arbitration to the annual amount of electrical energy required for the purpose of the said portion of the undertaking and to the annual load factor of such supply such terms being

in no case less favourable to the council than those on which a supply is given by the company to any other authorised undertakers using approximately a similar amount of electrical energy at a similar annual load factor or on which the council could themselves generate the quantity of electrical energy required by them:

(5) In this section—

The expression "high tension current" means current of a pressure exceeding six hundred and fifty volts between any pair of direct current conductors or exceeding four hundred and fifty volts between any pair of conductors being part of a threephase system;

The expression "low tension current" means current of a pressure not exceeding six hundred and fifty volts between any pair of direct current conductors or not exceeding four hundred and fifty volts between any pair of conductors being part of a threephase system;

The expression "high tension cables" means cables used for transmitting high tension current; and

Purchase by local authority.

9.—(1) The local authority may at any time after the expiration of fifteen years computed from the second day of December one thousand nine hundred and thirteen by notice in writing require the Undertakers to sell and thereupon the Undertakers shall sell to them the undertaking authorised by this Order including all lands buildings works materials and plant of the Undertakers suitable to and used by them for the purposes of the undertaking upon the terms of the local authority paying to the Undertakers such price as may be agreed upon between the local authority and the Undertakers or as failing agreement shall be determined by arbitration.

(2) The Board of Trade may determine any question which arises with reference to the purchase which is not to be determined by arbitration and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(3) From the date on which the purchase takes effect the undertaking (including all such lands buildings works materials and plant as aforesaid) shall vest in the local authority freed from all debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity under this Order shall absolutely cease and determine and shall vest in the local authority.

(4) The power of purchase conferred upon the local authority by this section shall only be exerciseable during the continuance of a certain agreement made between them and the Undertakers dated the second day of December one thousand nine hundred and thirteen.

(5) Nothing in this section shall affect the power of the local authority to purchase under section 2 of the Electric Lighting Act 1888.

Revision of price so as to balance revenue and expenditure.

10. If and when the local authority shall become the Undertakers for the purposes of this Order the following provisions shall apply:—

(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that

such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882:

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no contribution from the rates of the urban district will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(*a*) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(*b*) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers:

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(*a*) be subject to revision at the next triennial revision provided for in this section; or

(*b*) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract:

(4) There shall not be made against the district rate or any other rate—

(*a*) in respect of energy used by the Undertakers for street lighting or other lighting purpose a charge at any higher rate than that made to consumers using energy for lighting for the like hours of supply; or

Short and collective titles.

1. This Order may be cited as the York Electric Lighting (Extension) Order 1914 and the York Electric Lighting Order 1890, (herein-after called "the principal Order") and this Order may be cited together as the York Electric Lighting Orders 1890 and 1914.

Incorporation of Electric Lighting (Clauses) Act 1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order and the undertaking authorised by the principal Order and the Undertakers in respect thereof shall be subject to those provisions and so much of the principal Order as is inconsistent with those provisions or with this Order is hereby repealed without prejudice to anything done or suffered thereunder Provided that sections 23 and 65 of the said schedule shall apply to the undertaking within the area added by this Order as if the Undertakers were the local authority.

Added area of supply.

3. Subject to the provisions incorporated with this Order there shall be added to the area of supply for the purposes of the principal Order the area (herein-after called "the added area") which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Compulsory works.

4. The parts of streets within the added area throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Second Schedule to this Order.

Power to revoke Order where no mains are laid.

5.—(1) If at the expiration of five years from the commencement of this Order distributing mains shall not have been laid down in the parishes mentioned in the First and not mentioned in the Second Schedule to this Order and forming part of the said area of supply

the Board of Trade may if they think fit revoke this Order in respect of the said parishes or any of them where such mains shall not have been laid.

(2) Nothing in this section shall be construed as affecting the power of the Board of Trade to revoke this Order under the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899.

Power to break up streets &c.

6. Subject to the provisions incorporated with this Order the Undertakers are specially authorised to break up the streets and parts of streets not repairable by the local authority and the railway within the added area which are mentioned in the Third Schedule to this Order.

Supply to railways &c. for incidental purposes.

7. If the Undertakers obtain the consent of the Board of Trade under subsection (1) of section 5 of the Electric Lighting Act 1909 to the supply by them within their area of supply of electricity for the purposes of haulage or traction on any railway tramway or canal situate partly within and partly without that area or for the purposes of lighting vehicles and vessels used on any such railway tramway or canal they may so supply electricity to be used for purposes incidental to the working or lighting of such railway tramway or canal other than the purposes aforesaid.

Revocation of orders made under section 6 of Electric Lighting Act 1909.

8. The orders made by the Board of Trade under section 6 of the Electric Lighting Act 1909 and dated respectively the eleventh day of April one thousand nine hundred and twelve and the twenty-third day of May one thousand nine hundred and thirteen (relating to premises in the parish of Fulford Water) and the twenty-third day of May one thousand nine hundred and thirteen (relating to premises in the parish of Heworth Without) permitting the Undertakers to give a supply of electricity to certain premises within the added area shall be revoked as from the commencement of this Order but without prejudice to anything done or suffered thereunder and the Undertakers shall in respect of such supply and all electric lines and apparatus provided by them for the purpose of giving the supply have the same rights and powers and be subject to the same duties and obligations as if the supply had been given and the electric lines and apparatus had been so provided by them after the commencement of this Order.

Power of purchase by Bishopthorpe Rural District Council.

9.—(1) The Bishopthorpe Rural District Council (herein-after called "the council") may require the Undertakers to sell to the council the part of the undertaking within the Bishopthorpe Rural District (including all lands buildings works materials and plant within the said district suitable to and used by the Undertakers solely for the purposes of their undertaking therein) and the goodwill thereof at

the periods and subject to the conditions herein-after mentioned (that is to say):—

At the expiration of periods of twenty-one twenty-eight or thirty-five years from the commencement of this Order subject to the following conditions (namely):—

(*a*) The council shall give to the Undertakers one year's previous notice in writing of their intention to acquire such part of the undertaking;

(*b*) The council shall pay to the Undertakers the fair market value of such part of the undertaking as a going concern with compensation for any loss occasioned by severance but without any addition in respect of compulsory purchase.

(2) If any question arises as to the price to be paid on any such purchase as aforesaid that question shall be determined by arbitration.

(3) The Board of Trade may determine any other question which may arise in relation to such purchase and in default of agreement may fix the date from which the purchase is to take effect.

(4) On the date on which the purchase takes effect the part of the undertaking purchased (including the said lands buildings works materials and plant) shall vest in the council freed from any debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity under the principal Order or this Order within the said district shall absolutely cease and determine and shall vest in the council.

(5) Nothing in this section shall affect the power of the council as the local authority to purchase under section 2 of the Electric Lighting Act 1888.

(6) In the event of the special power of purchase herein-before contained or the power of purchase conferred by section 2 of the Electric Lighting Act 1888 being exercised by the council the council shall be entitled to require the Undertakers to give them a supply of energy in bulk of such quantity for such period and on such terms as in default of agreement may be determined by arbitration and on such requisition being made to them by the council the Undertakers shall take all necessary steps to enable them to give such supply accordingly.

Protection to fisheries.

10.—(1) Before using the water of any river stream or lake for supplying water power for the purpose of generating electricity for the undertaking the Undertakers shall make and fix such channels fish passes gratings and other works and appliances for the protection of

the fisheries of the river stream or lake in such position and of such form and mode of construction as the Board of Agriculture and Fisheries may consider to be necessary for preventing injury being caused to the fisheries of the river stream or lake by such use of the water thereof and may direct and the Undertakers shall also carry out any alteration modification or addition which the Board of Agriculture and Fisheries may at any time consider to be necessary as aforesaid and may direct in relation to these works and appliances.

(2) The Undertakers shall maintain any such works and appliances as so made and fixed for the time being and if the Board of Agriculture and Fisheries consider that any such work or appliance requires repair or renewal for preventing injury being caused as aforesaid and give notice thereof to the Undertakers the Undertakers shall repair or renew it as directed by the Board within two months of the date on which the notice is given.

(3) If the Undertakers fail to comply with any of the provisions of this section they shall be liable for each failure on summary conviction to a penalty not exceeding twenty pounds and to a further penalty not exceeding five pounds for each day on which the failure continues after conviction therefor.
