EXPLANATORY NOTE

(This Note is not part of the order.)

This order provides for an increase in the standard amounts on which payments in lieu of rates to Scottish local authorities by the South of Scotland Electricity Board and the North of Scotland Hydro-Electric Board are based, to take account of the general increase in valuations following the 1966 revaluation and the alteration made by section 17 of the Local Government (Scotland) Act 1966 to the adjustment factor by which the standard amounts are multiplied in order to calculate payments due in lieu of rates.
