AMENDMENT OF THE ELECTRICITY COMMISSIONERS' (NORTHERN IRELAND) RULES, 1924, MADE BY THE ELECTRICITY COMMISSIONERS FOR NORTHERN IRELAND, DATED THE 17TH DAY OF SEPTEMBER, 1930, IN PURSUANCE OF SECTION 34 OF THE ELECTRICITY (SUPPLY) ACT, 1919 (9 & 10 GEO. 5, C. 100), WITH RESPECT TO APPLICATIONS FOR SPECIAL ORDERS.

1930. No. 132.

Rule V is hereby amended by the insertion of the following words before the final paragraph thereof :—

Provided that in the case of an application for an Order to authorise the distribution of electricity within an area which includes the districts or portions of the districts of more than one local authority, the map deposited for public inspection, showing the proposed area of supply and the streets in which it is proposed that electric lines shall be laid down within a specified time or (as the case may be), the streets, railways and tramways proposed to be broken up may be on a scale of not less than one inch to the mile.

Provided also that in cases where any map so deposited is on a scale of less than six inches to the mile the applicants shall, if so directed by the Electricity Commissioners, deposit as soon as may be a further map on a scale of not less than six inches to the mile showing such area and streets, or such part thereof as the Electricity Commissioners may specify, at such of the offices at which the original map has been deposited as the Electricity Commissioners may prescribe.

Signed on behalf of the Electricity Commissioners for Northern Ireland this 17th day of September, 1930.

(Signed) *D. Kerr*,
Secretary to the Electricity Commissioners for Northern Ireland.
