EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations amend the Teachers (Superannuation) (Scotland) Regulations, 1957.

The purpose of the amendments numbered 1, 4 and 5 in the Schedule to the Regulations is to define " salary " so as to secure that for superannuation purposes a teacher who occupies a schoolhouse under conditions which do not entitle him to a reduction of rent under paragraph 1 of the Third Schedule to the Valuation and Rating (Scotland) Act, 1956, is in the same position as a teacher who is entitled to the reduction. Under a provision of that Act, the teacher like all other occupiers of houses is liable to pay the whole of the rates including the part which was formerly the owner's share. In the Regulations of 1957 salary is defined as the aggregate of the emoluments, whether in money or in kind, receivable by the teacher, and the list of emoluments includes references to the annual value of the schoolhouse which are not appropriate to the new conditions.

The other amendments are minor amendments which experience has shown to be desirable.

In the exercise of the power given by subsection (2) of section 101 of the Education (Scotland) Act, 1946, as amended by section 10 of the Education (Scotland) Act, 1956, the Secretary of State has prescribed that the amendments included in the Regulations shall have effect retrospectively from the dates prescribed in column (5) of the Schedule.
