Where the Award exceeds £1,000— For every additional £100 or part over £1,000	0	7	6	,,

South-Eastern Area Development.

REGULATIONS PRESCRIBED BY THE MINISTRY OF COMMERCE UNDER PART II OF THE FIRST SCHEDULE TO THE ELECTRICITY (SUPPLY) ACT (NORTHERN IRELAND), 1931, WITH RESPECT TO THE PROPOSALS OF THE ELECTRICITY BOARD FOR THE DEVELOPMENT OF THE SUPPLY OF ELECTRICITY IN THE SOUTH-EASTERN AREA.

1932. No. 119.

The Ministry of Commerce for Northern Ireland, in exercise of the powers conferred upon the said Ministry by Part II of the First Schedule to the Electricity (Supply) Act (Northern Ireland), 1931, hereby makes the following regulations :—

1. The copy of any proposals submitted by the Board to the Ministry of Commerce for the development of the supply of electricity in the South-Eastern Area under sub-sections (2) and (3) of section seven of the Electricity (Supply) Act (Northern Ireland), 1931, shall be served upon the local authority in the following manner :—

(1) The copy of the proposals shall be served (in typewritten or printed form) together with a map or maps on such scales, and showing in relation to the district (or the selected station) of the local authority such

matters, as are specified in paragraph (4) of this regulation.

(2) The copy of the proposals shall include a notification of the date on or before which the local authority is entitled to make representations to the Ministry of Commerce upon the proposals.

(3) Service of copies of proposals together with maps may be effected by delivering the same, together with the required map or maps, at the office of the local authority or by forwarding the same by post, addressed to the clerk of the local authority at the office of that authority.

(4) The map or maps to be served together with the copy of the proposals shall be—

(*a*) a map on a scale of not less than one inch to the mile, or such other scale as may be approved by the Ministry of Commerce, showing the boundaries of the area proposed to be developed and having marked thereon in distinctive colour the route of any main transmission lines and the sites of any proposed substations ; and

(*b*) where it is proposed to distribute electricity at low or medium pressures, a map on a scale of not less than twenty-five inches to the mile showing the route of the proposed distribution mains and, where it is proposed to distribute by means of overhead lines, the approximate pole positions.

2. The prescribed period for the purposes of Articles 3 and 4 of Part II of the First Schedule to the Electricity (Supply) Act (Northern Ireland), 1931 (which relate respectively to the adoption of the Board's proposals by the Ministry of Commerce and to the making of representations thereon) shall be thirty days after the service of the copy of the proposals upon the local authority.

3. In these regulations (unless the context otherwise requires) the expression " Pressure " means the differences of electrical potential between any two conductors through which a supply of energy is given, or between any part of either conductor and the earth ; and

(*a*) where the conditions of supply are such that the pressure at any pair of consumers' terminals does not exceed 250 volts, the supply shall be deemed to be a low pressure supply ;

(*b*) where the conditions of supply are such that the pressure exceeds 250 volts but does not exceed 650 volts, the supply shall be deemed a medium pressure supply.

Other expressions therein have the same respective meanings as they have in the Electricity (Supply) Act (Northern Ireland), 1931.

4. These regulations may be cited as "The Electricity (South-Eastern Area Development) Regulations, 1931."

Given under the official seal of the Ministry of Commerce this Fifteenth day of August, One Thousand Nine Hundred and Thirty-one.

(L.S.) (Signed), *G. H. E. Parr*,
Assistant Secretary.

Note.—Through inadvertence the above Order was not sent to the Editor for inclusion in the 1931 Volume.

EXCHEQUER AND FINANCIAL PROVISIONS.

Ulster Savings Certificates.

REGULATIONS MADE BY THE MINISTRY OF FINANCE UNDER SECTION 1 (2) OF THE EXCHEQUER BORROWING AND LOCAL LOANS ACT (NORTHERN IRELAND), 1922.

1932. No. 75.

The Ministry of Finance for Northern Ireland in exercise of the powers vested in the said Ministry by sub-section (2) of section one of the Exchequer Borrowing and Local Loans Act (Northern Ireland), 1922, hereby makes the following Regulations :—

1. Articles 5 (1) and 6 (1) of the Ulster Savings Certificates Regulations, 1927 (hereinafter referred to as "the Principal Regulations") shall in their application to Certificates issued on or after the second day of August, 1932, be amended so as to read as follows :—

"**5.**—(1) The purchase price of a single Certificate shall be sixteen shillings."

"**6.**—(1) The amount repayable in respect of a single Certificate shall be as follows :—

Within twelve months from the date of purchase, sixteen shillings.

On and after the termination of twelve months from the date of purchase, sixteen shillings and four pence,
