ELECTRICITY

The Electricity (Transfer of Transmission Assets) (North Eastern Electricity Board) Order 1974

Made - - -	*25th November* 1974
Laid before Parliament	*4th December* 1974
Coming into Operation	*1st January* 1975

The Secretary of State, on the application of the Central Electricity Generating Board (in this Order referred to as "the Generating Board") and after consulting the Electricity Council, in exercise of powers conferred by section 19(1) of the Electricity Act 1947(**a**) as amended by section 3 of the Electricity Act 1972(**b**) and now vested in him (**c**), and of all other powers enabling him in that behalf, hereby orders as follows:—

1. This Order shall come into operation on 1st January 1975 and may be cited as the Electricity (Transfer of Transmission Assets) (North Eastern Electricity Board) Order 1974.

2.—(1) In this Order "electric lines" means the line conductors used for the purpose of transmitting electricity together with any supporting structures, earth lines, insulation, insulators, protective ducts or any apparatus on the route of the line connected therewith for the purpose of transmitting electricity.

(2) The Interpretation Act 1889(**d**) shall apply to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

3. There are hereby transferred to the North Eastern Electricity Board without further assurance—

(*a*) all interests in or relating to the substations specified in Part I of Schedule 1 to this Order, being interests vested in the Generating Board, and all rights, liabilities and obligations of the Generating Board acquired or incurred by reason of those substations being vested in them including any interest held by the Generating Board in land forming the sites of those substations;

(a) 1947 c. 54. (b) 1972 c. 17.
(c) S.I. 1957/48, 1969/1498, 1970/1537 (1957 I, p. 1439; 1969 III, p. 4797; 1970 III, p. 5293).
(d) 1889 c. 63.

(*b*) all interests in or relating to the land forming the site for the proposed substation (being a substation which has not been constructed at the commencement of this Order) specified in Part II of Schedule 1 to this Order being interests vested in the Generating Board, and all rights, liabilities and obligations of the Generating Board acquired or incurred by reason of that land being vested in them; and

(*c*) all interests in or relating to the electric lines specified in Schedule 2 to this Order, being interests vested in the Generating Board, and all rights, liabilities and obligations of the Generating Board acquired or incurred by reason of those lines being vested in them.

4. Every agreement to which, immediately before the commencement of this Order, the Generating Board were a party shall, in so far as concerns anything transferred by virtue of Article 3 of this Order, have effect as if:—

(*a*) the North Eastern Electricity Board had been a party to the agreement; and

(*b*) for any reference (however worded and whether express or implied) to the Generating Board there were substituted, as respects anything falling to be done at or after the commencement of this Order, a reference to the North Eastern Electricity Board.

5. Without prejudice to the generality of the foregoing provisions, any application to any authority pending at the commencement of this Order by the Generating Board shall, in so far as it relates to anything transferred as aforesaid, or to any agreement which has effect in accordance with the provisions of Article 4 of this Order, be continued by the North Eastern Electricity Board to the exclusion of the Generating Board.

25th November 1974.

Alexander Eadie,

Parliamentary Under-Secretary of State,
Department of Energy.
