Managers may transfer school to school board.

**23.** The managers of any elementary school in the district of a school board may, in manner provided by this Act, make an arrangement with the school board for transferring their school to such school board, and the school board may assent to such arrangement.

An arrangement under this section may be made by the managers by a resolution or other act as follows; (that is to say,)

(1.) Where there is any instrument declaring the trusts of the school, and such instrument provides any manner in which or any assent with which a resolution or act binding the managers is to be passed or done, then in accordance with the provisions of such instrument:

(2.) Where there is no such instrument, or such instrument contains no such provisions, then in the manner and with the assent, if any, in and with which it may be shown to the Education Department to have been usual for a resolution or act binding such managers to be passed or done:

(3.) If no manner or assent can be shown to have been usual, then by a resolution passed by a majority of not less than two thirds of those members of their body who are present at a meeting of the body summoned for the purpose, and vote on the question, and with the assent of any other person whose assent under the circumstances appears to the Education Department to be requisite.

And in every case such arrangement shall be made only—

(1.) With the consent of the Education Department; and,

(2.) If there are annual subscribers to such school, with the consent of a majority, not being less than two thirds in number, of those of the annual subscribers who are present at a meeting duly summoned for the purpose, and vote on the question.

Provided that where there is any instrument declaring the trusts of the school, and such instrument contains any provision for the alienation of the school by any persons or in any manner or subject to any consent, any arrangement under this section shall be made by the persons in the manner and with the consent so provided.

Where it appears to the Education Department that there is any trustee of the school who is not a manager, they shall cause the managers to serve on such trustee, if his name and address are known, such notice as the Education Department think sufficient; and the Education Department shall consider and have due regard to any objections and representations he may make respecting the proposed transfer.

The Education Department shall consider and have due regard to any objections and representations respecting the proposed transfer which may be made by any person who has contributed to the establishment of such school.

After the expiration of six months from the date of transfer the consent of the Education Department shall be conclusive evidence that the arrangement has been made in conformity with this section.

An arrangement under this section may provide for the absolute conveyance to the school board of all the interest in the schoolhouse possessed by the managers or by any person who is trustee for them or for the school, or for the lease of the same, with or without any restrictions, and either at a nominal rent or otherwise, to the school board, or for the use by the school board of the schoolhouse during part of the week, and for the use of the same by the managers or some other person during the remainder of the week, or for any arrangement that may be agreed on. The arrangement may also provide for the transfer or application of any endowment belonging to the school, or for the school board undertaking to discharge any debt charged on the school not exceeding the value of the interest in the schoolhouse or endowment transferred to them.

When an arrangement is made under this section the managers may, whether the legal interest in the schoolhouse or endowment is vested in them or in some person as trustee for them or the school, convey to the school board all such interest in the schoolhouse and endowment as is vested in them or in such trustee, or such smaller interest as may be required under the arrangement.

Nothing in this section shall authorise the managers to transfer any property which is not vested in them, or a trustee for them, or held in trust for the school; and where any person has any right given him by the trusts of the school to use the school for any particular purpose independently of such managers, nothing in this section shall authorise any interference with such right except with the consent of such person.

Every school so transferred shall, to such extent and during such times as the school board have under such arrangement any control over the school, be deemed to be a school provided by the school board.

Re-transfer of school by school board to managers.

**24.** Where any school or any interest therein has been transferred by the managers thereof to the school board of any school district in pursuance of this Act, the school board of such district may, by a resolution passed as herein-after mentioned, and with the consent of the Education Department, re-transfer such school or such interest therein to a body of managers qualified to hold the same under the trusts of the school as they existed before such transfer to the school board, and upon such re-transfer may convey all the interest in the schoolhouse and in any endowment belonging to the school vested in the school board.

A resolution for the purpose of this section may be passed by a majority of not less than two thirds of those members of the school board who are present at a meeting duly convened for the purpose, and vote on the question.

The Education Department shall not give their consent to any such re-transfer unless they are satisfied that any money expended upon such school out of a loan raised by the school board of such district has been or will on the completion of the re-transfer be repaid to the school board.

Every school so re-transferred shall cease to be a school provided by a school board, and shall be held upon the same trusts on which it was held before it was transferred to the school board.

*Miscellaneous Powers of School Board.*

Payment of school fees.

**25.** The school board may, if they think fit, from time to time, for a renewable period not exceeding six months, pay the whole or any part of the school fees payable at any public elementary school by any child resident in their district whose parent is in their opinion unable from poverty to pay the same; but no such payment shall be made or refused on condition of the child attending any public elementary school other than such as may be selected by the parent; and such payment shall not be deemed to be parochial relief given to such parent.

Contribution to industrial schools. 29 & 30 Vict. c. 118.

**27.** A school board shall have the same powers of contributing money in the case of an industrial school as is given to a prison authority by section twelve of "The Industrial Schools Act, 1866;" and upon the election of a school board in a borough the council of that borough shall cease to have power to contribute under that section.

Any minute made of proceedings at meetings of the school board, if signed by any person purporting to be the chairman of the board, either at the meeting of the board at which such proceedings took place or at the next ensuing meeting of the board, shall be receivable in evidence in all legal proceedings without further proof, and until the contrary is proved every meeting of the school board, in respect of the proceedings of which minutes have been so made, shall be deemed to have been duly convened and held, and all the members thereof to have been duly qualified to act:

(5.) The members of a school board may apply any money in their hands for the purpose of indemnifying themselves against any law costs or damages which they may incur in or in consequence of the execution of the powers granted to them:

(6.) The rules contained in the third schedule to this Act with respect to the proceedings of school boards, and the other matters therein contained, shall be observed.

A united school district shall for all the purposes of this Act be deemed to be a school district, and shall throughout this Act be deemed to be substituted for the school districts out of which it is constituted, and the school board of the united school district shall be the school board appointed under this Act, and the local rate and rating authority for the united district shall be in each of the constituent districts thereof the same as if such constituent district did not form part of the united school district.

Conditions of formation of district.

**41.** The Education Department, as soon as may be after the passing of this Act, may cause inquiry to be made into the expediency of uniting any two or more school districts, and if after such inquiry they are of opinion that it would be expedient to unite any such school districts, they shall in the notice of their decision as to the public school accommodation for such districts state that they propose to unite such districts, and the provisions of this Act with respect to the application for a public inquiry by persons aggrieved by the said notice, and to the holding of such public inquiry, and to the final notice, shall apply in the case of the proposed union of districts, with this qualification, that it shall not be necessary to cause a public inquiry to be held with respect to the union of districts until after the expiration of the period allowed by the final notice for the supply of the school accommodation. The order for the union may be made at the time when the Education Department are first authorised to cause a school board to be formed or subsequently. Where a union of districts is proposed the Education Department shall consider whether any public school accommodation is required for the area proposed as the united district instead of for each of the districts constituting such area, and their decision as to the public school accommodation and the notice of such decision shall accordingly refer to such area, and not separately to each of the constituent districts.

As to dissolution of united school district.

**42.** The Education Department may, by order made after such inquiry and notice as herein-after mentioned, dissolve a united school district, and may deal with the constituent districts thereof in the same manner as if they had never been united, and may cause school boards to be elected therein.

**43.** The Education Department may at any time, after any proceedings after the first returns under this Act, if they think fit, cause inquiry to be made into the expediency of forming or dissolving a united school district, and where they propose at any time after such inquiry to form or dissolve a united school district, they shall publish notice of the proposed order not less than three months before the order is made; the like persons as are authorised to apply for a public inquiry after the first returns made under this Act may, if they feel aggrieved by the proposed order, apply in like manner for a public inquiry, and the Education Department shall cause a public inquiry to be held, and shall consider the report made to them upon such inquiry before they make the order for such formation or dissolution.

Order to be evidence of formation or dissolution.

**44.** Any order of the Education Department forming or dissolving a united district shall be evidence of the formation or dissolution of such district, and after the expiration of three months from the date of such order the district shall be presumed to have been duly formed or dissolved, as the case may be, and no objection to the formation or dissolution thereof shall be entertained in any legal proceedings whatever.

**45.** The provisions in this Act respecting the constitution of the school board shall apply to the constitution of the school board in a united school district, and the name of the district shall be such as may be prescribed by the Education Department.

**46.** In a united school district the school board shall be such number of members elected by the electors of the district as may be specified in the order forming the district, subject nevertheless to alteration in the same manner as in the case of any other school board; and every person who in any of the districts constituting such united district would be entitled if it were not united to vote at the election of members of a school board for such constituent district shall be an elector for the purposes of this section, and the provisions of this Act respecting the election of a school board in a district shall extend to the election of such members.

Arrangements on formation of united district.

**47.** Where any part of a proposed united school district includes any district or part of a district in which there is a school board already acting under this Act, or where a united school district is dissolved, the Education Department may by order dissolve the then existing school board, or make all necessary changes in the constitution of such existing school board, and may by order make proper arrangements respecting the schools, property, rights, and liabilities of such board, and all arrangements which may be necessary.

As to small parishes.

**48.** If the Education Department are of opinion that any parish in a united school district has too few ratepayers to be entitled to act as a separate parish for the purposes of this Act, they may by order direct that it shall for the purpose of voting for a member or members of the school board, and for all or any of the purposes of this Act, be added to another parish, and thereupon the persons who would be entitled to vote and attend the vestry if it were a parish shall be entitled for the purpose of voting and for such purposes to vote in and attend the vestry of the parish to which their parish is so added. All the parishes comprised in a united district, or any two or more of them, may be added together in pursuance of this section.

*Contributory Districts.*

**50.** Where one school district contributes to the provision or maintenance of any school in another school district, such number of persons as the Education Department (having regard to the amount to be contributed by the contributing district) direct shall be elected in the contributing district, and shall be members of the school board of the school owning district, but such last-mentioned district shall, except so far as regards the raising of money and the attendance of children at school, be deemed alone to be the district of such school board; such members shall be elected by the school board, if any, or, if there is none, by the persons who would elect a school board if there were one, in the same manner as a school board would be elected.

Notices and public inquiry as to contributory district.

**51.** The provisions of this Act with respect to the notices to be published, and the application for and the holding of a public inquiry in the case of an order for the formation of an united district, shall apply, mutatis mutandis, to an order respecting a contributory district.

An order respecting a contributory district shall be evidence of the formation of such district, and after the expiration of three months from the date thereof shall be presumed to have been duly made, and no objection to the legality thereof shall be entertained in any legal proceeding whatever.

Any such order may be revoked or altered by an order of the Education Department, and a new order may be made in lieu thereof, and all the provisions of this Act respecting the making of an order for contribution shall apply to the making of an order for the revocation or alteration of an order for contribution.

**52.** The school boards of any two or more school districts, with the sanction of the Education Department, may combine together for any purpose relating to elementary schools in such districts, and in particular may combine for the purpose of providing, maintaining, and keeping efficient schools common to such districts. Such agreements may provide for the appointment of a joint body of managers under the provisions of this Act with respect to the appointment of a body of managers, and for the proportion of the contributions to be paid by each school district, and any other matters which, in the opinion of the Education Department, are necessary for carrying out such agreement, and the expenses of such joint body of managers shall be paid in the proportions specified in the agreement by each of the school boards out of their school fund.

Where one school district contributes to the expenses of the schools in another school district, the authority of the school owning district may send their precept either to the school board, if any, or to the rating authority of the contributing district, requiring them to pay to their treasurer the amount therein specified, and such authority or board shall pay the same accordingly, and the receipt of the treasurer shall be a good discharge for the same, and such amount, if paid by the school board, shall be paid out of the school fund.

The precept, if sent to the rating authority, either on the default of the school board or otherwise, shall be deemed to be a precept for meeting a deficiency in the school fund, and the provisions of this Act shall apply accordingly.

(2.) Determining the time during which children are so to attend school; provided that no such byelaw shall prevent the withdrawal of any child from any religious observance or instruction in religious subjects, or shall require any child to attend school on any day exclusively set apart for religious observance by the religious body to which his parent belongs, or shall be contrary to anything contained in any Act for regulating the education of children employed in labour:

## An Act to facilitate the Arrest of Absconding Debtors. [9th August 1870.]

WHEREAS the laws now in force for the arrest of debtors absconding from England are insufficient for that purpose:

And whereas frauds may be perpetrated upon creditors by insolvent debtors departing for distant countries before the necessary proceedings can be taken to make them bankrupt:

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Provisions of Bankruptcy Act, 1869, extended.

**1.** That the provisions of the Bankruptcy Act, 1869, be extended in manner following: The Court may, by warrant addressed to any constable or prescribed officer of the Court, cause a debtor to be arrested and safely kept as prescribed until such time as the Court may order, if, after a debtor's summons has been granted in the manner prescribed by the said Act, and before a petition of bankruptcy can be presented against him, it appear to the Court that there is probable reason for believing that he is about to go abroad, with a view of avoiding payment of the debt for which the summons has been
