EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Energy Performance of Buildings (Scotland) Regulations 2008 and the Energy Performance of Buildings (Scotland) Regulations 2025.

Regulation 2 amends the Energy Performance of Buildings (Scotland) Regulations 2008 to restate the relevant function of maintenance of a register of energy performance data to enable an increase in the fees which the keeper of the register may charge for registration of data on the register. The fee which may be charged for registration of energy performance data relating to a dwelling is increased from £2.60 to £6.00 and for energy performance data relating to other properties is increased from £12.10 to £15.50.

Regulation 3 amends the date on which the Energy Performance of Buildings (Scotland) Regulations 2025 come fully into force from 31 October 2026 to 30 April 2028 and alters the dates of saving and transitional provisions in accordance with those amended dates.
