EXPLANATORY NOTE

(*This Note is not part of the Order.*)

This order is made under section 33 of the Water Act 1945. It repeals section 18 of the Southend Waterworks Act 1924 ("The 1924 Act") (which provides inter alia that water obtained from certain specified sources shall not exceed a certain degree of hardness), and section 65 of the Hanningfield Water Order 1950, which had the effect of extending the requirement of section 18 as to the standard of hardness to water abstracted under that order. The order also amends section 48(1) of the Essex Water Order 1970 and repeals subsection (2) of that section and Schedule 6 to that order, this amendment and repeal being consequential on the repeal of section 18 of the 1924 Act.
