of 28 March 1973

(73/61/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof;

Having regard to the application under Article 115 of the Treaty, made on 22 March 1973 by the French Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to knives with cutting blades, serrated or not (including pruning knives), except knives with handle in ivory or in gilded or silvered base metal falling within heading No ex 82.09 of the Common Customs Tariff, originating in Japan and in free circulation in the other Member States;

Whereas differences in the measures of commercial policy taken in connection with these products by France and by the other Member States, as regards Japan are giving rise to deflection of trade;

Whereas this deflection of trade is preventing the execution of measures of commercial policy taken by France as regards Japan;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should be given, for a limited period, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 ([1]), and in particular in Article 1 thereof;

Whereas a uniform system of imports could be adopted for the products in question as part of a common commercial policy as regards Japan; whereas the period of validity of these protective measures should expire upon the introduction of such a system;

HAS ADOPTED THIS DECISION:

Article 1

The French Government is authorized not to apply Community treatment to imports of the following products, where they originate in Japan and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 11 March 1973.
