(74/196/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof;

Having regard to the application under the first paragraph of Article 115 of the Treaty made on 1 April 1974 by the Italian Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to aerials and deflection yokes falling within heading Nos 85.15 C III and 85.21 ex E of the Common Customs Tariff, originating in Japan and in free circulation in the Federal Republic of Germany;

Whereas differences in the measures of commercial policy taken in connection with these products by Italy and by the Federal Republic of Germany as regards Japan are giving rise to deflection of trade;

Whereas this deflection of trade is preventing the execution of measures of commercial policy taken by Italy as regards Japan;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the Federal Republic of Germany;

Whereas authorization should be given, for the deflection of trade in question, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decison of 12 May 1971 [1], and in particular Article 1 thereof;

HAS ADOPTED THIS DECISION:

Article 1
