(74/351/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof;

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 25 June 1974 by the Italian Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to sewing-machine heads, falling within heading Nos 84.41 A ex I and ex II of the Common Customs Tariff, originating in Poland, and in free circulation in Germany;

Whereas differences in the measures of commercial policy taken in connection with these products by Italy and by Germany as regards Poland are giving rise to deflection of trade;

Whereas this deflection of trade is preventing the execution of measures of commercial policy taken by Italy as regards Poland;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from Germany;

Whereas authorization should be given, for the deflection of trade in question, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:

Article 1

The Italian Republic is authorized not to apply community treatment to imports of the following products, where they originate in Poland, and are in free circulation in Germany, and in respect of which applications for import licences were lodged on 17 June 1974:

CCT heading No	Description of goods
