(74/395/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof;

Having regard to the application under the first paragraph of Article 115 of the Treaty made on 10 July 1974 by the French Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to tableware and other articles of a kind commonly used for domestic or toilet purposes, of porcelain or other kinds of pottery, other than common pottery and stoneware, falling within heading Nos 69.11 and 69.12 C and D of the Common Customs Tariff, originating in the People's Republic of China, and in free circulation in the other Member States;

Whereas differences in the measures of commercial policy taken in connection with these products by France and by the other Member States as regards the People's Republic of China are giving rise to deflection of trade;

Whereas this deflection of trade is preventing the execution of measures of commercial policy taken by France as regards the People's Republic of China;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should be given, for a limited period, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:
