# COMMISSION DECISION

## of 2 August 1974

## amending the Commission Decision of 17 July 1974 concerning protective measures applying to imports into Italy

**(Only the Italian text is authentic)**

(74/424/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 108 (3) thereof;

Whereas by its Decision of 8 May 1974 [1] the Commission authorized the Italian Republic to require evidence to be shown in the importation of certain goods that a cash deposit representing 50 % of the cif value of the said goods has been paid;

Whereas by its Decision of 17 July 1974 setting a date limit to the Commission Decision of 8 May 1974 authorizing the Italian Republic to take certain protective measures under Article 108 (3) of the EEC Treaty with respect to certain agricultural sectors [2] the Commission terminated the authorization referred to above for products falling within certain sectors;

Whereas it appears possible on the one hand to enlarge the list of products for which the said authorization was previously revoked, and on the other hand to adjust certain technical anomalies in the said list;

Whereas the balance of payments difficulties being experienced by Italy are still such at the present moment that the exclusion from the list of products annexed to the abovementioned Decision of the Commission of 8 May of certain products having a comparatively high value which are not usually considered as products of everyday consumption is not justified,

HAS ADOPTED THIS DECISION:
