COMMISSION

COMMISSION DECISION

of 18 October 1974

extending the list of agricultural products in respect of which security need not be lodged for the purpose of importation into Italy 'inter alia'

(Only the Italian text is authentic)

(74/519/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 108 (3) thereof ;

Whereas by its Decision of 8 May 1974 (1) the Commission authorized the Italian Republic to require importers of certain goods to produce proof that they have lodged a cash deposit representing 50 % of the cif value of the said goods ;

Whereas by its Decision of 17 July 1974 (2) setting a limit date to the Commission Decision of 8 May 1974 authorizing the Italian Republic to take certain protective measures under Article 108 (3) of the EEC Treaty with respect to certain sectors of agriculture, as amended by the Decision of 2 August 1974 (3), the Commission terminated the authorization referred to above in respect of products falling within certain sectors ;

Whereas it seems possible to extend the list of products in respect of which the authorization in question has been withdrawn and to regroup in one list all the products in respect of which such authorization no longer applies ;

Whereas the balance of payments difficulties being experienced by Italy are still such at the present moment that it would not be justified to exclude from the list of products annexed to the abovementioned Commission Decision of 8 May 1974 certain products having a relatively high value and which are not usually regarded as products of everyday consumption,

HAS ADOPTED THIS DECISION :

Article 1

The authorization provided for in Article 1 of the Commission Decision of 8 May 1974 shall not apply in respect of the products listed in the Annex.
