# COUNCIL DECISION

## of 17 February 1975

## authorizing the tacit renewal or continued operation of certain Treaties of Friendship, Trade and Navigation Treaties and similar agreements concluded between Member States and third countries

(75/148/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof;

Having regard to the Council Decision of 16 December 1969 (1) on the progressive standardization of agreements concerning commercial relations between Member States and third countries and on the negotiation of Community Agreements, and in particular Article 3 thereof;

Having regard to the proposal from the Commission;

Whereas the Council Decisions of 13 October 1970 (2), 1 February 1971 (3), 18 October 1972 (4), 18 June 1973 (5) and 6 December 1973 (6), authorized the tacit renewal or continued operation of the Treaties of Friendship, Trade and Navigation Treaties and similar agreements concluded by the Member States of the Community;

Whereas the Member States concerned have again requested authorization for the tacit renewal or continued operation of provisions governing matters covered by the common commercial policy within the meaning of Article 113 of the Treaty and contained in the Treaties of Friendship, Trade and Navigation Treaties and similar agreements listed in the Annex, to avoid interrupting their commercial relations with the third countries concerned, based on agreements;

Whereas authorization should be granted to maintain commercial relations between the Member States and the third countries concerned, on the basis of agreements, pending their replacement by a Community conventional or autonomous system;

Whereas such authorization should not, therefore, adversely affect the obligation of the Member States to avoid and, where appropriate, to eliminate any incompatibility between such agreements and the provisions of Community law;

Whereas the provisions of the instruments to be tacitly renewed or continued in operation would not, furthermore, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas the Member States concerned have stated that the tacit renewal or continued operation of these agreements would not be likely to constitute an obstacle to the opening of Community commercial negotiations with the relevant third countries, and whereas they are willing to transfer the commercial fabric of current bilateral agreements to such Community Agreements as it is proposed to negotiate;

Whereas, at the conclusion of the consultation provided for in Article 2 of the Council Decision of 16 December 1969, it was established, as the aforesaid statements by the Member States confirm, that the relevant bilateral agreements will not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas, nevertheless, the Member States concerned have stated that they would be willing to adopt and, if necessary, repudiate these agreements should it be found, during the period under consideration, that the provisions thereof relating to matters covered by Article 113 of the Treaty, hinder the implementation of the common commercial policy;

Whereas the agreements involved contain repudiation clauses requiring a period of notice of between three and twelve months;

Whereas, therefore, there is no reason for not authorizing the tacit renewal or continued operation, until 31 December 1976, of the provisions in question,
