COMMISSION DECISION

of 3 April 1975

establishing retrospective control of imports into the Community of sisal binder twine

(75/235/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 1439/74 [1] of 4 June 1974 on common rules for imports, and in particular Article 6 thereof ;

Whereas consultations have been held within the committee set up under Article 5 of the said Regulation ;

Whereas imports into the Community of sisal binder twine have increased considerably in most Member States in recent years and are having an effect on the already precarious position of this sector of Community industry ;

Whereas, with a view to allowing the Commission to obtain an appreciation of the economic and commercial situation in this sector, it is in the interests of the Community that Member States supply the Commission with information concerning developments on the market in this product by a retrospective communication of imports effected,

HAS ADOPTED THIS DECISION :

Article 1

Each Member State shall communicate to the Commission, within the first 10 days of each month, the quantities, expressed in metric tons, of imports of sisal binder twine for agricultural machines [2] originating in the countries specified in Annex II of Regulation (EEC) No 1439/74 which have been carried out during the month preceding the month immediately prior to the communication.

Information communicated by Member States shall be broken down by exporting country.

Article 2

This Decision shall apply with effect from 1 June 1975 and shall expire on 30 June 1976.

Article 3

This Decision is addressed to the Member States.
