COMMISSION DECISION

of 4 July 1975

specifying the extent to which applications for import licences lodged in June 1975 for young bovine animals of highland breeds for fattening can be accepted

(75/416/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 (2), and in particular Article 21 (2) thereof;

Whereas, Article 2 (2) of Commission Regulation (EEC) No 1208/75 (3) of 30 April 1975 concerning the issue while protective measures are in force of import licences for certain young bovine animals of highland breeds for fattening, as amended by Regulation (EEC) No 1407/75 (4), provides that a decision must be taken, subject to an overall monthly limit of 5 000 head, regarding the extent to which applications for import licences can be accepted;

Whereas, if the applications for import licences exceed the prescribed volume, the Commission must specify percentages by which the quantities applied for are to be reduced; whereas the applications submitted during the period 16 to 25 June 1975 exceed the prescribed volume;

Whereas, in view of the considerable differences existing between the quantities applied for in respect of the two countries of origin concerned, different percentage reductions should be fixed for each of those countries,

HAS ADOPTED THIS DECISION:

Article 1

1. The quantities of young bovine animals of highland breeds for which applications for import licences have been submitted pursuant to Regulation (EEC) No 1208/75 in June 1975 shall be reduced by:

— 77·88 % for animals originating in and coming from Austria;

— 92·69 % for those originating in and coming from Yugoslavia.

2. The quantities so reduced shall, for each licence issued, be rounded up to the nearest whole number.

Article 2

This Decision is addressed to the Member States.
