(75/449/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof;

Having regard to the application under the first paragraph of Article 115 of the Treaty made on 27 February 1975 by the United Kingdom Government to the Commission by telex from the office of its Permanent Representative to the European Communities, for authorization not to apply Community treatment to woven fabrics of man-made fibres (discontinuous or waste), falling within heading No 56.07 of the Common Customs Tariff, originating in Taiwan and in free circulation in the other Member States;

Whereas differences in the measures of commercial policy taken in connection with these products by the United Kingdom and by the other Member States as regards Taiwan are giving rise to deflection of trade;

Whereas this deflection of trade is preventing the execution of measures of commercial policy taken by the United Kingdom as regards Taiwan;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should be given, for the deflection of trade in question for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof;

HAS ADOPTED THIS DECISION:
