of 18 June 1975

(75/473/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof;

Having regard to the application under the first paragraph of Article 115 of the Treaty made on 10 June 1975 by the French Government to the Commission by telex from the office of its permanent representative to the European Communities, for authorization not to apply Community treatment to garments and articles of textiles other than cotton, falling within heading Nos ex 60.02, ex 60.04, ex 60.05, ex 61.01, ex 61.02 and ex 61.03 of the Common Customs Tariff, originating in South Korea and in free circulation in the other Member States;

Whereas since the application of Article 115 the importation into France of the product in question originating in South Korea is subject to an annual quota of 3 200 000 FF which is wholly taken up;

Whereas differences in the measures of commercial policy taken in connection with these products by France and by the other Member States as regards South Korea are giving rise to deflection of trade;

Whereas this deflection of trade is preventing the execution of the abovementioned measures of commercial policy currently being taken by France as regards South Korea;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States;

Whereas in order to ensure that the implementation of the abovementioned commercial policy measures is not obstructed, authorization should be given, for a limited period, for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 [1], and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:
