(75/98/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof ;

Having regard to the application under the first paragraph of Article 115 of the Treaty made on 13 December 1974 by the Governments of the BLEU countries to the Commission by telex from the office of the permanent representative of Belgium to the European Communities, for authorization not to apply Community treatment to tomatoes and table grapes, falling within subheadings 07.01 M I and 08.04 A I of the Common Customs Tariff, originating in certain third countries, and in free circulation in the other Member States ;

Whereas differences in the measures of commercial policy taken in connection with these products by the BLEU countries and by the other Member States as regards the third countries concerned are giving rise to deflection of trade ;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should be given, for a limited period, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971 (1), and in particular Article 1 thereof,
